Disgruntled Asali Solomon:

Disgruntled Asali Solomon, 2015-02-03 An elegant vibrant startling coming of age novel for anyone who's ever felt the shame of being alive Kenya Curtis is only eight years old but she knows that she's different even if she can't put her finger on how or why It's not because she's black most of the other students in the fourth grade class at her West Philadelphia elementary school are too Maybe it's because she celebrates Kwanzaa or because she's forbidden from reciting the Pledge of Allegiance Maybe it's because she calls her father a housepainter slash philosopher Baba instead of Daddy or because her parents friends gather to pour out libations from the Creator for the Martyrs and discuss the community Kenya does know that it's connected to what her Baba calls the shame of being alive a shame that only grows deeper and more complex over the course of Asali Solomon's long awaited debut novel *Disgruntled* effortlessly funny and achingly poignant follows Kenya from West Philadelphia to the suburbs from public school to private from childhood through adolescence as she grows increasingly disgruntled by her inability to find any place or thing or person that feels like home A coming of age tale a portrait of Philadelphia in the late eighties and early nineties an examination of the impossible double binds of race

Disgruntled is a novel about the desire to rise above the limitations of the narratives we're given and the painful struggle to craft fresh ones we can call our own

The Days of Afrekete Asali Solomon, 2021-10-19 I didn't feel like I was reading this novel I felt like I was living it Ann Patchett author of *The Dutch House* From award winning author Asali Solomon *The Days of Afrekete* is a tender surprising novel of two women at midlife who rediscover themselves and perhaps each other inspired by Mrs Dalloway Sula and Audre Lorde's *Zami* Liselle Belmont is having a dinner party It seems a strange occasion her husband Winn has lost his bid for the state legislature but what better way to thank key supporters than a feast Liselle was never sure about her husband becoming a politician never sure about the limelight never sure about the life of fundraising and stump speeches Then an FBI agent calls to warn her that Winn might be facing corruption charges An avalanche of questions tumbles around her Is it possible he's guilty Who are they to each other who have they become How much of herself has she lost and was it worth it And just this minute how will she make it through this dinner party Across town Selena Octave is making her way through the same day the same way she always does one foot in front of the other keeping quiet and focused trying not to see the terrors all around her Homelessness starving children the very living horrors of history that made America possible these and other thoughts have made it difficult for her to live an easy life The only time she was ever really happy was with Liselle back in college But they've lost touch so much so that when they ran into each other at a drugstore just after Obama was elected president they barely spoke But as the day wears on memories of Liselle begin to shift Selena's path Inspired by Mrs Dalloway and Sula as well as Audre Lorde's *Zami* Asali Solomon's *The Days of Afrekete* is a deft expertly layered naturally funny and deeply human examination of two women coming back to themselves at midlife It is a watchful celebration of our choices and where they take us the people who change us and how we can

reimagine ourselves even when our lives seem set

Get Down Asali Solomon, 2024-05-01 Asali Solomon's characters are vivid misfits: a heathen at Jesus camp, a scheming prep school student, a middle-aged mom pining for her salsa dancing salad days, a scheming twentysomething virgin, a college stud in love with his weight lifting partner, a lonely girl in love with a yellow dress. The kids in *Get Down* are trapped between their own good breeding and their burning desire to join the house party of sex, romance, and bad behavior that seems to be happening on some other block down some other more dangerous street. The adults in *Get Down* are just trying to hold it together. Here is a debut that will make you laugh and cringe in equal measure. Set mostly in middle class black Philadelphia during the crack and Reagan years, the stories in *Get Down* are antic, poignant, and utterly universal; they'll bring back memories for anyone who has ever stood in the corner of a darkened school gym wondering whether to dance or duck for cover. They announce a sparkling new talent, a recent graduate of the Iowa Writers Workshop whose work has been featured in *Vibe*, *Essence*, and the anthology *Naked Black Women Bare All About Their Skin, Hair, Hips, Lips, and Other Parts*.

A Black Philadelphia Reader Louis J. Parascandola, 2024-06-11 The relationship between the City of Brotherly Love and its Black residents has been complicated from the city's founding through the present day. *A Black Philadelphia Reader* traces this complex history in the words of Black writers who were native to, lived in, or had significant connections to the city. Featuring the works of famous authors including W. E. B. Du Bois, Harriet Jacobs, Sonia Sanchez, and John Edgar Wideman, alongside lesser-known voices, this reader is an immersive and enriching composite portrait of the Black experience in Philadelphia. Through fiction and nonfiction, poetry and prose, readers witness episodes of racial prejudice and gender inequality in areas like public health, housing, education, policing, criminal justice, and public transportation. And yet, amid these myriad challenges, the writers convey an enduring faith, a love of family and community, and a hope that Philadelphia will fulfill its promises to its Black citizens. Thoughtfully introduced and accompanied by notes that contextualize the works and aid readers' comprehension, this book will appeal to a wide audience of Philadelphians and other readers interested in American, African American, and urban studies.

Well-Read Black Girl Glory Edim, 2018-10-30 NOMINATED FOR AN NAACP IMAGE AWARD An inspiring collection of essays by Black women writers curated by the founder of the popular book club *Well-Read Black Girl* on the importance of recognizing ourselves in literature. *Yes, Well-Read Black Girl* is as good as it sounds. Jones An American Marriage Rebecca Walker Black White and Jewish and Barbara Smith Home Girls A Black Feminist Anthology Whether it s learning about the complexities of femalehood from Zora Neale Hurston and Toni Morrison finding a new type of love in The Color Purple or using mythology to craft an alternative black future the subjects of each essay remind us why we turn to books in times of both struggle and relaxation As she has done with her book club turned online community Well Read Black Girl in this anthology Glory Edim has created a space in which black women s writing and knowledge and life experiences are lifted up to be shared with all readers who value the power of a story to help us understand the world and ourselves Praise for Well Read Black Girl Each essay can be read as a dispatch from the vast and wonderfully complex location that is black girlhood and womanhood They present literary encounters that may at times seem private and ordinary hours spent in the children s section of a public library or in a college classroom but are no less monumental in their impact The Washington Post A wonderful collection of essays Essence
