

# The Symbol of Postmodernism

(Frank Gehry)

## What?

Contemporary architects are using increasingly radical forms to challenge traditional ideas about how buildings are designed and built. Architects are embracing a postmodernism that has led to a building style that is characterized by forms that are unusual.

## Model 1 - The 1994 Vancouver Children's Centre

Model 1 is a copy of the actual building before a major renovation project was fully completed in 2014.

What architectural principle was discussed in class?

10

What architectural principle was discussed in class?

10. The building is a prime example of postmodernism.

What architectural principle was discussed in class?
