The Mentally Strong Leader Scott Mautz, 2024-05-07 2025 International Book Award winner. This book will prove an indispensable resource again and again. Dan Pink, 1 New York Times bestselling author of *The Power of Regret*. When and To Sell is Human. Train your brain for achievement. Award winning bestselling author Scott Mautz defines mental strength as the ability to self regulate emotions, thoughts and behaviors to achieve exceptional outcomes despite adversity. It's the superpower of our times. Mentally strong leaders are confident and in control of themselves and their environment; they have endurance; they stay disciplined and stress only makes their decision making sharper. They manage themselves internally to lead others externally. **The Mentally Strong Leader** gives readers a mental exercise plan to become that person. Readers begin with a diagnostic **Mental Strength Self Assessment** and receive a customized plan of 50 proven science based tools to build their six core mental muscles: Fortitude, Decision making, Confidence, Goal focus, Boldness, Messaging. Inspired by Mautz's hit LinkedIn Learning course *10 Habits of Mentally Strong People*, his 25 years leading some of Procter & Gamble's biggest multi billion dollar businesses and over 30 years of studying this topic, **The Mentally Strong Leader** relies on mental models, data and research, habit building, science and practical tools and exercises to create enduring strength for readers.

Finding Wisdom In Brand Tragedies: Managing Threats To Brand Equity Robert J Thomas,2023-05-24 Brands and

branding have deep historical roots Almost anything or anyone can be branded with a name or mark for commercial or other purposes The act of branding initiates activities in a brand ecosystem among people and organizations who have a vested interest in the brand s value Unfortunately a brand may experience a tragedy that can put its value and equity at risk Pundits will often conclude there is a primary reason for a specific brand s tragedy however studying the situation more deeply can reveal tragic flaws in response to brand challenging experiences that enhance managerial wisdom The purpose of the book is to examine the backstories of a selection of relatively well known brands that have experienced a tragedy The objective is to inform how and why some brands survived and some did not Doing so may help leaders and managers of current brands avoid the miscues that lead to brand tragedies and possibly revive a brand when tragedy strikes It is a book for those who need to improve their understanding of the vital importance of a brand for organizational success and who want to build and manage their brands to continuously improve value for customers employees shareholders and the well being of society While there will be no one right approach or silver bullet to avert or ameliorate a specific tragedy the better prepared leaders and managers are for a brand tragedy the greater the likelihood of avoiding one and realizing an expedient and constructive outcome when one occurs
