The Lost Art of JAN M. DOUGHERTY, 2011-03 Yes you really can clean your house and everything in it using just 3 products and it will cost you about 20 per year I have owned a residential cleaning company since 2004 and this book actually started life as my employees handbook Since this book was first published not much has changed Dirt is still dirty and whether or not you want to clean your home it still has to be cleaned Most people hate to clean simply because they don t know how to do it they were never taught Were you actually taught how to clean Probably not but that s not your fault Do you want to learn how to do it like a professional using minimal products and saving a bucket of money on cleaning supplies If you do then buy my book First I will send you to the store with a short shopping list I will explain why I use each product and then how to use each product or tool which by the way isn t much I will then explain the logic behind my method of cleaning called The PATH and then I will literally walk you through cleaning the different rooms in your house The beauty of The PATH is that you can start and stop a cleaning job in any room and not loose your place Just pick up where you left off and continue until the room is clean So go answer the phone or change the baby I only use 3 readily available products in both my business and in my house to clean everything No more need for window floor counter toilet sink tub shower and mirror cleaners No more polishes waxes or air fresheners Just think about how much you spend a year on cleaning products Go ahead I ll wait while you look under your sinks and calculate that More than 20 00 per year If you are spending more than that you need my book Everyone that embraces my methodology has a cleaner home extra money to spend on the important things and the time to enjoy them I have a website The Lost Art of House Cleaning com where I have uploaded a number of videos demonstrating my methodology and posted numerous

articles on cleaning particular things I have read all the reviews posted about my book on Amazon and I found the vast majority to be very complimentary I have also found that some of the harshest critics still recognized that my methodology works In addition to the Amazon reviews I have personally received comments and compliments directly from the people that have bought my book And I know that what I say in my book has helped thousands realize that cleaning their home is not all it s cracked to be if you know what you are doing So buy my book read it the first time for entertainment then read it a second time for inspiration and then Enjoy the Clean Thanks Jan M Dougherty [Sparkle](#) Skye Lani,2015-07-12 If you have ever wondered if there is a more efficient less time consuming way to get every part of your home sparkling clean this is the book for you After 50 years as a professional house cleaner personally cleaning homes and also running a large house cleaning business Skye Lani is impeccably qualified to share professional time proven cleaning techniques including the best products and equipment to use to get every room in your home beautifully clean with ease Along the way she shares some entertaining house cleaning experiences she s had through the years You will love this book Keep it handy whenever you must know the best product equipment or technique you need to clean your home in record time and whenever you need a smile to lighten your day [House Cleaning Guide](#) Angela Pierce,2014-12-16 Housecleaning might be a very daunting task if you look at it in the whole entirety of it especially if your house is quite big with many rooms to clean Wouldn t it be better to leave it up to your housekeeper or someone else more capable of doing so Yes that would be possible but what if the task fell upon you to complete and there s no getting around it Then you better suit up cleaning clothes I mean and read up on these tips and tricks on proper housekeeping and how to effectively clean your house in a jiffy [A Revolution in House-cleaning](#) General Compressed Air House-Cleaning Company,1900\* [The Antics of House Cleaning](#) Shirley Bassett,2006-03-15 Are you in a job you don t like Maybe you don t find yourself challenged as much as you would like and the possibility of advancement isn t there Perhaps you re between jobs Or maybe you ve always thought about owning and operating a small business Author Shirley Bassett knows how you feel After a series of jobs she didn t like Bassett began her own small housecleaning business She shares her experiences in her book *The Antics of House Cleaning* Bassett gives you the basics on how to get started how to know who to hire and who not to hire and how to check up on your employees You ll also learn how to handle mishaps and how to work with what you have The author also shares short stories about the everyday happenings of Bassett s housecleaning business Owning your own business is challenging and not everyone is cut out to be a business owner *The Antics of House Cleaning* helps you determine whether it is an option for you [Clean My Space](#) Melissa Maker,2017-03-07 The wildly popular YouTube star behind Clean My Space presents the breakthrough solution to cleaning better with less effort Melissa Maker is beloved by fans all over the world for her completely re engineered approach to cleaning As the dynamic new authority on home and living Melissa knows that to invest any of our precious time in cleaning we need to see big long lasting results So she developed her method to help us get the most out of our effort and keep our
