

The background of the book cover is a vibrant, abstract pattern of overlapping circles and ovals in shades of yellow, orange, and red, resembling a microscopic view of cells or a honeycomb structure. The pattern is dense and fills the entire frame. In the center, the title and authors' names are displayed in a clean, sans-serif font. The title 'Data Mining' is the largest and most prominent element, rendered in a bold, dark blue color. Above it, the words 'PRINCIPLES OF' are contained within a white rectangular box with a thin black border. Below the title, the authors' names are listed in a smaller, dark blue font, stacked vertically.
