## INTERVIEW QUESTIONS

**What strategies do you use to stay organized during busy periods?**

During busy periods, I use a checklist to keep track of my tasks and prioritize the most urgent ones. I also try to stay focused by organizing my workspace and setting short-term goals to manage my time effectively. Keeping a clear head and breaking tasks into smaller parts helps me maintain efficiency and reduce stress during peak hours.

**Can you give an example of a challenging situation you've faced and how you resolved it?**

In a previous role, a system outage caused delays in processing transactions. To manage the situation, I communicated transparently with customers about the delay and offered manual processing as a temporary solution. I kept customers updated on the status and worked with my team to resolve the issue as quickly as possible. This approach helped maintain customer trust and ensured smooth operations despite the challenge.
