Chitty on Contracts, 31st edition volumes 1 & 2, **Chitty on Contracts** Joseph Chitty,2021 Smart Legal Contracts Jason Allen,Peter Hunn,2022-04-04 Smart Legal Contracts Computable Law in Theory and Practice is a landmark investigation into one of the most important trends at the interface of law and technology the effort to harness emerging digital technologies to change the way that parties form and perform contracts While developments in distributed ledger technology have brought the topic of smart contracts into the mainstream of legal attention this volume takes a broader approach to ask how computers can be used in the contracting process This book assesses how contractual promises are expressed in software and how code based artefacts can be incorporated within more conventional legal structures With incisive contributions from members of the judiciary legal scholars practitioners and computer scientists this book sets out to frame the borders of an emerging area of law and start a more productive dialogue between the various disciplines involved in the evolution of contracts as software It provides the first step towards a more disciplined approach to computational contracts that avoids the techno legal ambiguities of smart contracts and reveals an emerging taxonomy of approaches to encoding contracts in whole or in part Conceived and written during a time when major legal systems began to engage with the advent of contracts in computable form and aimed at a fundamental level of enquiry this collection will provide essential insight into future trends and will provide a point of orientation for future scholarship and innovation The International Compendium of Construction Contracts Phillip Greenham,Society of Construction Law Australia,2021-05-10 This book examines how the most commonly used construction project contracts are applied in a range of countries around the world The specific situation of each of the almost 40 countries studies is dealt with in a dedicated chapter allowing for easy comparison between differing legal and commercial environments Each chapter contextualizes the relevant contracts within the legal and commercial systems prevalent in a particular country and examines a number of common issues impacting construction projects around the world This unique book will be an essential resource for construction law specialists around the world because of its focus on commonly used contracts and the contextualizing of these contracts into the legal and commercial environment of each studied country All contributions are from practicing construction project lawyers ensuring that the quality of the information and analysis is of the highest standard **The Effects of Financial Crises on the Binding Force of Contracts - Renegotiation, Rescission or Revision** Başak Başoğlu,2016-02-25 This book is about one of the most controversial dilemmas of contract law whether or not the unexpected change of circumstances due to the effects of financial crises may under certain conditions be taken into account Growing interconnectedness of global economies facilitates the spread of the effects of the financial crises Financial crises cause severe difficulties for persons to fulfill their contractual obligations During the financial crises performance of contractual obligations may become excessively onerous or may cause an excessive loss for one of the contracting parties and consequently destroy the contractual equilibrium and

legitimate the governmental interventions Uncomfortable economic climate leads to one of the most controversial dilemmas of the contract law whether the binding force of the contract is absolute or not In other words unstable economic circumstances impose the need to devote special attention to review and perhaps to narrow the binding nature of a contract Principle of good faith and fair dealing motivate a variety of theoretical bases in order to overcome the legal consequences of financial crises In this book all these theoretical bases are analyzed with special focus on the available remedies namely renegotiation rescission or revision and the circumstances which enables the revocation of these remedies The book collects the 19 national reports and the general report originally presented in the session regarding the Effects of Financial Crises on the Binding Force of Contracts Renegotiation Rescission or Revision during the XIXth congress of the International Academy of Comparative Law held in Vienna July 2014 Chitty on Contracts Joseph Chitty,2013-11-12 This supplement brings the first two volumes of Chitty on Contracts up to date with recent developments in the law **Guide to Damages in International Arbitration** John A Trenor,2016-11-05 Global Arbitration Review s The Guide to Damages in International Arbitration is a desktop reference work for those who d like greater confidence when dealing with the numbers The guide edited by John A Trenor of Wilmer Cutler Pickering Hale and Dorr LLP covers all aspects of damages from the legal principles applicable to the main valuation techniques and their mechanics to industry specific questions and topics such as tax and currency For each of the major methodologies employed by damages experts the book describes the basics of the approach the areas of general agreement and the points at which consensus can break down The book acts as a compass for non accountants and non economists enabling them to argue or umpire the damages part of cases more effectively This guide contains 27 chapters sectioned into four parts I Legal Principles Applicable to the Award of Damages II Procedural Issues and the Use of Damages Experts III Approaches and Methods for the Assessment and Quantification of Damages IV Industry Specific Damages Issues Contributors include top names at organisations like White to make the subject of damages in international arbitration more understandable and less intimidating for arbitrators and other participants in the field and to help participants present these issues more effectively to tribunals Anthony Connerty Barrister in practice IDR Group and 4 5 Gray s Inn Square A Debt Restructuring Mechanism for Sovereigns Christoph G Paulus,2014-12-01 The Eurozone crisis which started in spring 2010 as a Greek budget crisis has alerted Europeans that the issue of defaulting sovereigns is not one reserved just for the poor and poorest countries on this globe The crisis painfully amplified that developed countries too might be hit by this phenomenon To be sure this insight is far from novel the history of defaulting states reaches back into history for at least two millennia And yet lawyers have surprisingly abstained more or less completely from discussing this subject and developing possible solutions Beginning with the Argentina crisis in 2001 this neglect began to vanish to a certain degree and this movement got some momentum in 2010 by the Eurozone crisis The present book collects contributions from authors most of whom have participated in a conference on this issue in January 2012 at the Humboldt

Universit t zu Berlin The presentations thus provide a unique overview of the present discussion both from an economic and legal perspective

Chitty on Contracts Joseph Chitty,1955 *The Nature and Enforcement of Choice of Court Agreements* Mukarrum Ahmed,2017-10-05 PRAISE FOR THE BOOK This constitutes a work of impressive scholarship that will become a major reference point for future discourse on choice of court agreements Dr Ahmed advances a firm thesis in a lucid manner that will satisfy both academics and practitioners The discussion is supported by a monumental foundation of underpinning research Ahmed s monograph throughout shows clear understanding of underlying substantive laws and in Chapter 11 displays a refreshing willingness to engage in intelligent speculation on the implications of Brexit Professor David Milman University of Lancaster The book is an excellent attempt to understand the theoretical underpinnings of choice of court agreements in private international law Anyone with an interest in the theory and practice of choice of court agreements in particular in mechanisms for their enforcement should read this book They will find much of value by doing so Professor Paul Beaumont University of Aberdeen from the Series Editor s Preface This book examines the fundamental juridical nature classification and enforcement of choice of court agreements in international commercial litigation It is the first full length attempt to integrate the comparative and doctrinal analysis of choice of court agreements under the Brussels I Recast Regulation the Hague Convention on Choice of Court Agreements Hague Convention and the English common law jurisdictional regime into a theoretical framework In this regard the book analyses the impact of a multilateral and regulatory conception of private international law on the private law enforcement of choice of court agreements before the English courts In the process it both pre empts and offers innovative solutions to issues that may arise under the jurisprudence of the emergent Brussels I Recast Regulation and the Hague Convention The need to understand the nature and enforcement of choice of court agreements before the English courts from the perspective of the EU private international law regime and the Hague Convention cannot be understated This important new study aims to fill an existing gap in the literature in relation to an account of choice of court agreements which explores and reconnects arguments drawn from international legal theory with legal practice However the scope of the work remains most relevant for cross border commercial lawyers interested in crafting pragmatic solutions to the conflicts of jurisdictions
