**Customer Reviews** Most helpful customer reviews 2 of 2 people found the following review helpful.Great book. By .Jeremy I purchased this book as the textbook for a senior-level mathematics course in my undergrad. However, this book does not "read like a textbook." This book has been one of the easiest reads in a mathematics-heavy book I have ever had the pleasure of laying my eyes on. The pictures are clear, the words are concise, the ideas are organized logically and in proper order such that ideas are clearly described and explained in a manner that you don't have to be a mathematics major to understand what is being talked about. While I purchased this book as a necessity for my coursework, if you have any kind of interest in mathematics (or just logic/puzzle games) the book is extremely interesting and you will learn A LOT. Highly recommended. Very well-done book, especially for a topic as "obscure" as Fluent in French: The most complete study guide to learn French. 0 of 0 people found the following review helpful. It has been very useful in helping me understand simple concepts needed to do ... By Sarah A. McQueen This book is written very well. I use this book in conjunction with more formal Fluent in French: The most complete study guide to learn French books. The writing is simpler and easier to understand than the more technical books. It has been very useful in helping me understand simple concepts needed to do my research. 0 of 0 people found the following review helpful. It's just another French textbook. It's a radical mindset shift that rewires how you learn the French language from the inside out. This book doesn't just teach French; it helps you become someone who speaks it naturally, confidently, fluently. Inside, you'll discover:

1. The Psychology of Fluency: Understand why most learners stay stuck and how to break free from the "translate then speak" trap once and for all.
2. Real Stories, Real Progress: Every chapter opens with a vivid personal or cultural story that draws you in, then delivers actionable lessons that help you speak French with ease.
3. Grammar Without the Grind: Master French grammar intuitively, just like native speakers, through context, patterns, and repetition, not rules and drills.
4. Built for Busy Brains: Whether you're a beginner or stalled at intermediate, this book simplifies the process so you can focus on what actually works.
5. Train Your Brain to Think in French: Ditch the memorization. Learn to think in French, and watch your vocabulary and confidence grow automatically.

Who This Book Is For: You've tried Duolingo, flashcards, and every French language book on the shelf, but you still freeze in real conversations. You're tired of memorizing grammar rules that don't stick, and you want a smarter, faster way to actually speak French. You want to connect with French speakers, whether it's for travel, family love, or opportunity. This isn't a textbook; it's a shortcut to fluency.

More Than a French for Beginners Guide: While ideal for beginners, *Think in French* goes far beyond the basics. It reshapes how you approach learning, making it the perfect tool for learners at any stage, from day one to plateau breakthrough. Whether you're building French vocabulary from scratch or finally ready to speak French with confidence, this guide helps you make the language part of your identity, not just your study routine. Say goodbye to hesitation, grammar anxiety, and feeling like an imposter. Say hello to a new version of you: someone who actually speaks French.

If you're looking for a French language book that actually works, one that blends mindset, method, and motivation, this is it.

Have you always admired the French language, culture, and people? Do you dream of traveling to Paris someday, but you want to go when you're ready and can speak their language? Or does the idea of taking a language class make you start to sweat with feelings of stress, nervousness, and anxiety over taking on more work? There is a better way for you to learn the language you've always hoped to, and you've found it with this guide. There are so many things that stop us from tackling a new activity, such as learning a new language. Time, money, accessibility, and motivation are just some of the big things stopping us from doing the things we always hoped to. Like learning French, the Language of Love. This guide tries to overcome a few of those obstacles by making it easy, manageable, and enjoyable, because most of the time, the hardest part is just starting. And when you've made your way through this book and practiced what you've learned, you'll be ready to book that trip to Paris, so you can fully yourself immerse in the food, wine, landscapes, and pulse of French culture.

While it is a common belief that children have an easier time learning languages than adults, Richard Roberts's 2015 study, *Becoming Fluent: How Cognitive Science Can Help Adults Learn a Foreign Language*, published by The MIT Press, introduces how adults can actually master a new language through different learning techniques. He explains how adults, unlike children, use the skills they've developed throughout their

lives to learn a new language and they can be just as successful In this guide you ll discover The absolute best method for you to develop French speaking skills without requiring a ton of time you don t have Detailed lessons to teach you what you need to know without overwhelming you and sending you into an anxiety attack How you can learn French at your own pace without the stress of homework or tests so you can truly learn the language Daily lessons and exercises already designed for you so you don t have to plan or organize anything and just open your book The worst pronunciations you are saying and how to master the correct pronunciation to sound like a local An easy breakdown of the French parts of speech so you actually understand the rules not just memorize the vocabulary The most common expressions you will need for your trip to France to fool them into thinking you speak fluently The most romantic French words and phrases that will heat up your love life even if you re the least romantic person you know None of us no matter our age can learn a new language overnight But when we decide we want to enrich our travel experiences and understanding of the world by learning a language you have to have the right tool Now you can understand and learn about the language you love to listen to and have always admired If you are ready to start your journey with the Language of Love click Add to Cart now
