*Use the Weight to Lose the Weight* Josh LaJaunie, Howard Jacobson, 2020-03-10 If you re obese you probably don t see yourself as an athlete You may think that you re lazy unmotivated and undisciplined and beat yourself up for not having the strength of will to lose the weight I m here to tell you that the opposite is true despite what the naysayers have been telling you for years you are actually working much harder than any of your skinny friends You ve been carrying a human weight vest and it s made you strong But you ve also been carrying the unkind and destructive words that people have hurt you with and they have made

you weak I was a fat guy 420 pounds or more at my heaviest that s an estimate you know fat people don t step on scales and I had lost and regained a hundred pounds at least five times before I finally figured out what was missing Before I embraced both weights the physical and the psychological and used them to build the body and mind that I could be proud of This book is my attempt to give you the uncensored straight talk about how to lose a lot of weight and what it s actually like I was shocked to discover that not everything got better or felt better when I grew lean I discovered that many of the strategies I used to lose the weight didn t work to keep it off I found that focusing on positivity all the time was a bad idea that I could embrace the anger at how I d been treated as a fat person to transform myself If you re squeamish about frank and vulgar language put the book down now It s not for you But if you re ready to hear the rough unvarnished and ultimately liberating truth I ll hold nothing back You ll discover how to use the weight to lose the weight and gain your life **Sick to Fit** Josh LaJaunie,Howard Jacobson,2018-12-10 If you re overweight or obese If you re constantly tired bloated constipated achy sluggish depressed or anxious If you re diabetic or pre diabetic If your doctor keeps warning you about the risk of cancer heart disease or other lifestyle reversible calamity If you re constantly worried about your blood pressure weight insomnia eating habits But you still find it next to impossible to stick to a healthy diet exercise and lifestyle plan Then you might be going about things the wrong way Let s face it despite a flood of information and advice we re getting sicker and fatter all the time That s because the vast majority of conventional advice is outdated wrong headed and just plain ineffective Within this storm of bad news and bad advice there s a growing tribe of outliers who have managed to lose hundreds of pounds reverse impossible to cure diseases and even to their own shock and delight become fit and high performing athletes Their stories don t get a lot of media attention because they aren t selling anything No pills powders or potions No expensive workout gadgets No late night infomercial magic formulas They simply rediscovered some basic natural truths about the human animal What we re designed to eat How we re designed to move And how we re meant to think and feel When we get away from our natural heritage we suffer When we return to it we thrive Read Sick To Fit to discover how Josh LaJaunie went from a 420 pound food addict to the cover of Runner s World magazine as well as live appearances on Good Morning America and The Today Show Discover the simple secrets for a healthy life that have transformed dozens of members of the Missing Chins Run Club and clients of WellStart Health from sick and sad to fit and fulfilled In Sick To Fit you ll learn the one food rule that banishes confusion eliminates the need to count calories or restrict portion size and makes you impervious to the marketing and clickbait BS perpetrated by the food industry how to honor your culture and heritage without suffering from the diseases that are killing your people coming from the Bayou of South Louisiana Josh knows a thing or two about being a foodie how to use social and family pressure to get stronger and more committed how to prevent self sabotage after initial success how to start exercising safely if you re overweight by 20 or 200 pounds the four question FAST Assessment the Swiss Army Knife of sustainable behavior change how to master life s stressors so they don t turn into binges how to never fall off the wagon

again even if you've failed at dozens of diets before and much more. Written with behavioral health expert Howard Jacobson PhD, *Sick To Fit* combines Josh's journey with cutting-edge nutritional, exercise, neurological, and habit science. *Sick To Fit* is your roadmap to better health and a more joyful life. *Sick To Fit* is a captivating, inspiring, and practical story of an epic transformation. And don't be deceived by how entertaining this page-turner of a book is. What you're about to have fun reading is scientifically proven, and it just might change your life.

Ocean Robbins, Author, *31 Day Food Revolution*, CEO, Food Revolution Network, <http://foodrevolution.org>. A diet book with lots of information leaves you with lots of information. But a book that teaches you how to change your dietary and lifestyle habits and do it in a way that is compelling, engaging, and eminently practical, a book like that can change your life. *Sick to Fit* takes everything that we know about what makes people change in business and life and applies it to eating and lifestyle habits.

I've read a tremendous number of books on diet, fitness, and health, and this one is the best.

**Lap Band Struggles** Duc Vuong, 2016-04-01. Have you had a Lap Band surgery but did not get the results you were expecting? Are you currently researching alternative weight loss surgery options? Or are you looking to avoid another surgery and instead get back on track with your tool? In his much-anticipated book, Dr. Duc Vuong, the Support Surgeon, delves into these topics and explains the possible medical tests you might have to undergo and insurance issues involved. He also discusses the different weight loss surgery alternatives for revision of your gastric band, their technical difficulties, and the pros and cons of each surgery so you can make an informed decision. This book contains easy-to-understand illustrations of the different weight loss surgery revision options like gastric band to sleeve or band to gastric bypass. It also discusses other less common options like gastric plication and duodenal switch. Dr. Vuong also addresses the future applications of the Lap Band. Dr. Duc Vuong is an internationally renowned bariatric surgeon who is the world's leading expert in education for the bariatric patient. His intensive educational system has garnered attention from multiple institutions and medical societies. His passion in life is to fill the shortage of educational resources between patients and weight loss surgeons. Dr. Vuong was featured in TLC's hit show *900 Pound Man: Race Against Time* and is currently working on his own weekly television show, *Praise for Lap Band Struggles*. This is a great resource for any patient looking for information about revisional surgery by a gifted surgeon.
