SECOND EDITION

The image shows the front cover of a textbook. The background is a dark green color with a white graphic that resembles a circuit board or a flowchart, with lines connecting various elements. On the right side, there is a vertical yellow strip containing three light blue oval shapes, each with a thin black outline. The top oval is the largest, the middle one is smaller, and the bottom one is the largest and has a double-line outline. In the center-left area, there is a stack of three light beige rectangular papers. The top paper is slightly offset to the left and has the text 'SECOND EDITION' printed on it in a bold, black, sans-serif font. Below the papers, there are two green inverted triangles pointing downwards, connected by a white line that forms a horizontal bridge between them. The overall design is clean and technical.
