1. "Law":

Blackstone defines a term law-

"Law in its general and comprehensive sense, signifies a rule of action, and is applied indiscriminately to all kinds of actions, whether animate or inanimate, rational or irrational"

Salmond explains law-

"Law consists of the rules recognized and acted on in court of justice" The term 'law' is used in two senses, in the abstract sense, and in the concrete sense strict sense, it means, the system of law, as for instance-law of contract, law of defamation, etc. In its' concrete sense, it means Statute, Act, Ordinance or other exercise of legislative authority.

Several jurists and theorists have attempted to define the term "law". They have propounded their theories According to Natural Law theory,

"Law is the dictates of Reason". It consists of principles of right and wrong, just and unjust, moral and immoral. These principles can be discovered by the 'Reason of mankind. It is also known as "Divine law" being the order of God imposed upon men. It is the God made law. According to Thomas Aquinas, "Law is the command of higher God".

According to the Imperative theory of law propounded by Austin (Definition given by Austin), "Law is the command issued by the sovereign power".

According to the theory of Legal Realism, "Law is the decision of the Courts"

According to Prof. Hart, "Law is the system of rules"

Customary law-

Law based on custom is known as "Customary Law"

2) "Custom":

Custom means, a habitual behavior or course of conduct or practice followed by the people from long period.

Law, based on custom is known as customary law. In fact, custom is one of the most important sources of law.

Custom is a tradition of the people that governs a human conduct. Custom is the rule of conduct or action voluntarily and uniformly observed by the people. It consists of a rule of conduct approved and accepted by the community for generations.

It is the usage observed and followed by the people and recognised by the Court on the compliance of certain conditions.

Essentials of a valid custom:

In order to get recognition of law (recognition by Court),

1. The custom must be ancient;
2. The custom must be continuous;
3. The custom must be certain;
4. The custom must be reasonable;
5. The custom must be moral;
6. The custom should not be opposed to the statutory law; and
7. The custom should not be opposed to public policy.

Legal Language Notes Introduction

In the digital age, access to information has become easier than ever before. The ability to download Legal Language Notes has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Legal Language Notes has opened up a world of possibilities. Downloading Legal Language Notes provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Legal Language Notes has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Legal Language Notes. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Legal Language Notes. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Legal Language Notes, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Legal Language Notes has transformed the way we access

information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
