Psych K:

Everyday Psych-k Brunhild Hofmann,2016-06-27 A method that can be used by anyone PSYCH K establishes direct communication between the conscious and subconscious minds In just a few simple steps PSYCH K makes it possible to transform self limiting beliefs into beliefs that support your goals in life PSYCH K aligns all levels of your being body mind and spirit in order for you to become the person you are truly meant to be PSYCH K accelerates personal growth easily and safely It is a proven and amazingly effective method that has been used internationally by trainers coaches psychologists and others in the healing professions for over 25 years *The Psych-K Experience* Brunhild Hofmann (Ed),2018-02-23 This book is meant to illustrate the possibilities offered by working with PSYCH K making them clearer and more comprehensible I must admit however that I have a hard time using the word work when talking about PSYCH K since that is hardly what it feels like Delight uplift and a feeling of connection better describe what I have experienced The stories in this book are diverse as diverse as the people whose processes are described and as diverse as the Facilitators sharing their experiences Each story focuses on a key question What do you want instead The examples provided demonstrate the many scenarios that can arise when using PSYCH K Different approaches can be taken to resolve the same or similar issues fear of flying and fear of taking tests for example This shows yet again that when using PSYCH K we do not focus on problems but on people By means of PSYCH K you achieve Self Realization *Unbreak Your Health* Alan E. Smith,2007-01-01 Smiths complete guide presents proven healing techniques from 5 000 years ago to the most modern innovations With more than 300 listings in 135 categories it is one of the most complete books ever published on complementary and alternative therapies **From Fear to Freedom** D. J. Macarthur,2011-03-31 Using her own personal experience as well as her professional training Ms Macarthur discusses different types of fears that plague our lives and how they affect our successes our dreams and our sense of peace and security In the second half she then presents a number of techniques for dispelling our fears and gaining control over our lives These are proven methods many of which we can learn and practice ourselves without the help of a therapist Some are even incredibly simple so much so that it seems impossible that they could help This is a little book with a big impact **Spiritual Prescriptions for Turbulent Times** Cathy Thomas,2013-01-31 If pain relief is what you need you have the right book There is something here for anyone who needs emotional support Our world is in upheaval and we are feeling the effects The result We feel overwhelmed anxious one day up and the next day down If this sounds familiar to you then this book is just what the doctor ordered In *Spiritual Prescriptions for Turbulent Times* you will find practical tools the prescriptions to help you feel better now Cathy Thomas and Leslie Evelo with over fifty years combined experience in the field of trauma therapy have collected the most effective methods for restoring your emotional balance and renewing your energy Drawing from alternative and non traditional healing methods the authors offer you positive and powerful techniques that you can use on your own or in addition to psychotherapy to soothe your frazzled nerves reconnect to your inner guidance

Adam's Gift Cindy Williams Adams MEd,2024-06-12 In Adam s Gift author Cindy Williams Adams shares the story of the death of her twenty seven year old son Adam and her subsequent spiritual journey Hi I m Adam and I m dead Well not really I m still here The first night in the hospital while Adam was on life support around midnight a nurse advised me to go home and get some rest I looked at Adam s monitor His heart rate was 180 a normal heart rate for an infant At that point his vital signs were nominal I said I d go home when Adam s heart rate reached 111 Greg and I sat in the dark listening to the beep beep of Adam s monitor A few minutes later Greg said Look at the monitor Adam s heart rate was 111 My youngest sister Rhonda and I clipped some locks of Adam s dark brown hair as a keepsake I was sitting at the head of his bed examining our handiwork when I heard Adam say jokingly Mom what the fuck did you do to my hair In that pivotal moment if I d talked myself out of believing what I d just experienced I would have grieved Adam s death in an entirely different way Trusting the communication from Adam was real not only allowed me to accept the loss of Adam s physical presence it allowed me to create an entirely new relationship with the part of Adam that is eternal Adam s lungs kidneys pancreas and liver saved the lives of two individuals and significantly improved the lives of three others Adam s liver went to a young mother from Indiana where I was born Adam s pancreas went to a woman with diabetes who ll never have to suffer another amputation Adam s kidneys went to a woman from somewhere in California and to a man in Oakland who no longer plan their life around the need for dialysis Adam s lungs went to a seventy two year old man from Arizona From January 2011 to February 2023 Adam led me on a twelve year long wild goose chase where I collected seemingly random puzzle pieces that when presented altogether finally make sense From a past life as a knowledge keeper in Atlantis to serving as an intergalactic guardian Adam s mind blowing after death adventures will change everything you thought you knew about life and death and the world as we know it Don t let your skin suit fool you into thinking you re anything less than a co creator with God We don t have to die to evolve to a higher level of consciousness When it comes to consciousness raising Adam and I are giving away the cheats Adam s Gift is more than a memoir it s a multidimensional multimedia experience Brace yourself you re in for an e ticket ride Adams debut memoir is an effectively concise account of a mother navigating her own grief while also finding ways to help others heal Adams vividly renders her story of her life s journey and her sense of exuberance is evident throughout Kirkus review The story of Adam and the special bond he shares with his mom gives those hope who question an afterlife Dannion Brinkley internationally bestselling author of Saved by the Light At Peace in the Light and Secrets of the Light You don t have to have experienced loss to love Adam s Gift It isn t a book of grief Its gift to the reader is about the resilience of love and the

unwavering faith of a mother faced with unimaginable circumstances and boundless faith Meg Blackburn Losey PhD author of international bestsellers The Children of Now The Secret History of Consciousness and Touching the Light Through the experiences recounted by Adam s mother readers are immersed in a world where love transcends physical boundaries and continues to connect souls even after death Rhys Wynn Davies Australia s 2023 Psychic of the Year and author of How to Talk to the Dead in 10 Easy Steps Adam s Gift was so riveting to read I came away from it feeling as if I had gained so much I can t thank Adam and Cindy enough for writing this book Sarah Breskman Cosme bestselling author of A Hypnotist s Journey to Atlantis A Hypnotist s Journey to the Secret of the Sphinx and A Hypnotist s Journey from the Trail to the Star People **The Biology of Belief 10th Anniversary Edition** Bruce H. Lipton, PHD,2015-10-13 Unleashing the power of consciousness matter and miracles It has been ten years since the publication of The Biology of Belief Bruce Lipton s seminal book on the relationship between mind and body that changed the way we think about our lives our health and our planet During that time research in this field has grown exponentially Lipton s groundbreaking experiments have now been endorsed by more than a decade of rigorous scientific study In this greatly expanded edition Lipton a former medical school professor and research scientist explores his own experiments and those of other leading edge scientists that have unraveled in ever greater detail how truly connected the mind body and spirit are It is now widely recognized that genes and DNA do not control our biology Instead they are controlled by signals from outside the cell including energetic messages emanating from our thoughts This profoundly hopeful synthesis of the latest and best research in cell biology and quantum physics puts the power to create a healthy joyous life back in our own hands When we transform our conscious and subconscious thoughts we transform our lives and in the process help humanity evolve to a new level of understanding and peace No Stress Today with Psych-K(r) Marina Riemslagh,2015-01-23 Personal transformation with PSYCH K r No stress today but what about tomorrow Tomorrow is just like today It is always today always now in our automatic belief system subconscious mind The subconscious mind only understands now That is why one single event which turns our life upside down can keep us in stress for years on end No Stress Today with PSYCH K r tells you how this mechanism works and how we can transform the consequences of traumas and everyday situations in a simple way The book is about achieving a personal transformation and how to transform stress into vitality peace and a stress free fulfilling life It is the result of years of research explained in simple words 77 people who all learned how to reprogram themselves and live a stress free life contributed with their inspiring testimonials All the contributors write how stress affected their lives and how little was necessary to get it transformed When we are in stress we are not who we really are because we do not have our whole brain available and parts of ourselves are inaccessible We can change this situation through PSYCH K r an age old process which is now becoming accessible to everyone By applying PSYCH K r our world is opening up We realize that we have the choice to decide the way we feel what we think and how we act Peace with ourselves with others around us and with our world is within easy reach for

everyone Marina Riemslagh has been committed to guiding people for years She worked as a nurse in psychiatry before she became a pastor and ethicist in hospitals She started a program assisting women who had undergone an abortion Afterwards she did qualitative research and obtained her PhD on a thesis titled How is it that we do not behave in an appropriate way Her own quest for wanting to deal with others properly led her to investigate and practice PSYCH K r a method to reprogram our own behavior and serve other people s highest interest Marina Riemslagh is fascinated by the workings of the human mind It is her mission to help people function to their highest possible values and norms so that they can live a happy fulfilling life and attain their highest potential The author on her personal quest Of course it was my own quest that led to these discoveries For years I had asked myself why I was making trouble at certain moments Now that I know this and am able to change it my world has opened up I don t have to be afraid of myself or of others I don t have to make myself invisible or defend myself I can choose how to behave and how to feel In every situation I have a grip on myself and that makes me free to cope with other people in a correct way This offers a new perspective both professionally and privately I can function on my own and in a team I can expand both intellectually and personally I am glad about what I do and how I can love In short I am happy and enjoy myself Sharing the processes which make this revolution possible with other people is my greatest joy I use my talents for writing training and counseling and I enjoy my family That is my way of saying thanks for all the opportunities that life has offered me For further information and workshops see www.freefulliving.com and www.nost.com
