The Best Friend 2 Maria Marchan, 2018-02-28. What does it mean when someone says that you are his best friend? To be a best friend is a privileged position. Cultivate and develop fine qualities which would make you into a wonderful person. The following is a list of the qualities of a true friend: Accepting (Accept the person for who he is), Appreciative (A good friend is rare, so appreciate what you have), Confidential (Keep personal information he shares with you to yourself), Considerate (Think of the other person's feelings), Treat him the same way you want him to treat you, Honest (Be honest with your friend, do not be deceitful), Respectful (Respect your friend's opinions and tastes), Supportive (Be happy for your friend when he is successful, Comfort him when he is sad), Trustworthy (Your friend should be able to trust you). Are you the person with these similar attributes? A true friend adds value to his friend by encouraging him to rise higher. He knows everything about his friend and he likes and respects him regardless of his strengths and weaknesses. A true friend will not envy the successes of his friend but he would be sincerely happy for him. Be the type of friend you would like for yourself.

The Best Friend 2 will show you how to become the best friend anyone would like to have.
