

Charlie & The Chocolate Factory

Script

Welcome to the tale of a delicious adventure in a wonderful land. This is the story of an ordinary little boy named Charlie Bucket. He was not faster, stronger, or more clever than other children. His family was not rich, powerful, or well connected. In fact, they barely had enough to eat. Charlie Bucket was the luckiest boy in the entire world. He just didn't know it yet. So here we are at Charlie's home.

Seven people live here. Life is extremely uncomfortable and cramped for Charlie and his family. These four very old people are Charlie's grandparents. Their names are Grandpa Joe, Grandma Josephine, Grandpa George, and Grandma Georgina. They're all over ninety years old. This is Mr. and Mrs. Bucket, the parents of Charlie Bucket. Well, let's find out what's happening at the Bucket House now.

Mr. Bucket: you know, it sure would have been fine if charlie had won the fifth golden ticket.

Mrs. Bucket: you mean with that money we gave him for his birthday present yesterday.

Mr Bucket: yes the money we gave him to buy the one piece of candy every year.
