Zollo, 2021-06-07 Updated version after reading reviews I have now included full photograph exercise demonstrations increased text size and simplified the routine to zone in on strength gain and fat loss more efficiently Introducing The Minimalist Approach To Achieving A Trim Toned And Functionally Strong Body All From The Comfort Of Your Home WITHOUT Any Expensive Equipment Are you a woman who struggles to find the time to get to the gym Do you feel completely overwhelmed when you walk into a gym not knowing where to start or what machines to use The facts are that although gyms are a great recourse to improve your fitness and body It is purely a luxury and many of those big machines you see are not necessary when it comes to burning fat and reshaping your body The problem with a lot of workout programs is that they are often complicated and ask too much of it's participants sometimes requiring five to six hour long workouts per week The problem first of all is it's not sustainable to keep up with leaving very little time for recovery an important component in not only becoming fit strong and lean but also remaining injury free Fitness is meant to enhance our lives not take away from it and spending countless hours working out following programs that quite frankly are suited more to professional athletes rather than everyday people like you and me It's time to make fitness an enjoyable part of your life not something you dread having to do everyday Which is why we advocate a minimalist approach to reshaping

your body allowing you more time to show off your results instead of being a slave to your workouts This workout program requires zero equipment it can be performed anywhere regardless of space and by anyone regardless of your current fitness level It will take you from a complete beginner with no exercise experience all the way up to a fit functionality strong woman ready to dominate life and inspire those around you No gym membership or home equipment needed just your body and a chair will see you through to the best shape of your life Here s A Slither Of What s Inside Busting Through The Myths Of The Fitness Industry Including 1 That Has Continued To Lead Women Down The Wrong Path When Transforming Their Bodies For Decades An Equation To Calculate Your Own Individual Caloric Needs Guaranteeing Results As Well As A Simple Way To To Construct Your Meals If Your Not A Calorie Counter A Progressive Workout System Built With Exercises That Will Improve Your Everyday Movement It Will Have You Not Only Looking Great But Moving Greater A Program That Won t Get In The Way Your Life And Other Commitments As You Will Only Be Training 3 Days Per Week Why Bodyweight Training Is Superior To Weight Training To Building A Truly Functionally Strong Body That Keeps You Younger Longer Full Support From Myself In My Free Private Facebook Group As Well As Being Able To Connect With Other Women On The Same Journey And SO Much More If you re sitting there thinking nothing will work for you and you re stuck with your current body forever if you re sick and tired of being sick and tired if you have decided it s time to unleash the strongest version of yourself to the world then this book is your ticket to busting through that door So If You Want A Proven Way To Finally Get The Body Of Your Dreams And Effortlessly Maintain It Without Any Equipment Then Scroll Up And Click Add To Cart

**Bikini My Body in 8 Weeks** Alex Michael Betts, 2017-02-13 This book was inspired by my desire to offer easy to follow and effective workout and nutrition programs to help people get back on track and start to make healthy living a lifestyle rather than a chore Too many people start off their exercise regimens with the best of intentions but don t have a clear enough plan to follow Therefore no plan to stick to This 8 week program is designed for you to be able to sculpt your body and get in great shape without having to leave the comfort of your home or spend countless hours grinding away in the gym This is for ANYBODY from a newbie who has never exercised seriously before to a travelling executive who needs to squeeze a quick workout into an already hectic schedule These workouts are relatively short and sweet and are designed to boost your metabolism with the high intensity interval training HIIT and Excess Post Exercise Oxygen Consumption EPOC philosophies Psychologically it is also a lot easier to start a program when the workouts are very short you will barely notice the increase in duration as you progress In a nutshell you bust your ass for a short period of time and your metabolism rate will remain elevated for longer meaning you burn more FAT At first some may find it hard work so please don t push yourself to the point of passing out listen to your body and build up your stamina gradually if you NEED to rest after every exercise then do it but time your rest and try to reduce it gradually over the course of the program The nutrition aspect is very simple and only has 2 main rules to follow as far as food is concerned The less rules you have to follow the higher your chances of success There is also a tendency to throw too much at your body at first you end up burning out and falling off the wagon This program will build you up from the ground gently which will massively increase your chances of succeeding by sticking with the program

There is a lot of confusion and misinformation when it comes to diet and exercise I have made this program very easy to follow and applied rules that have proven to work time and time again This is a no gimmicks no nonsense plan This eBook contains the following information to ensure your success in the program 18 mins workout day for week 1 8 week easy to follow nutrition plan 4 complete home exercise routines 20 video links to home exercises 10 golden rules to secure your success ABOUT THE AUTHOR Alex Betts Founder of FitnessGuruSG com is passionate about health and fitness and enjoys seeing people make positive lifestyle changes to improve their well being Alex has helped transform hundreds of individuals to become healthier fitter and stronger physically and mentally At a young age Alex developed a fascination for the potential of the human body to be sculpted and to demonstrate strength confidence and power After seeing my body start to change shape and muscles appearing in places where I had never seen them before I was instantly hooked this became my wonderful obsession my therapy and kept me on the straight and narrow no matter what life threw at me Alex believes that there is so much more to training than vanity He believes it empowers people to take control of their lives and gives them a daily sense of accomplishment It also gives them a healthy awareness of how everything they do and consume directly affects their mind and body Alex earned his degree in Sports Exercise Science from the University of Leeds UK in 2005 He is also the President of Singapore Federation of Bodybuilding Fitness SFBF The SFBF is the only federation in Singapore recognized by the International Federation of Bodybuilding and Fitness IFBB organizers of world renowned fitness and bodybuilding competitions namely Joe Weider s Olympia Weekend and The Arnold Classic Sports Festival
