Handbook of Formative Assessment in the Disciplines Heidi L. Andrade,Randy E. Bennett,Gregory J. Cizek,2019-05-14 The Handbook of Formative Assessment in the Disciplines meaningfully addresses current developments in the field offering a unique and timely focus on domain dependency Building from an updated definition of formative assessment the book covers the integration of measurement principles into practice the operationalization of formative assessment within specific domains beyond generic strategies evolving research directions including student involvement and self regulation and new approaches to the challenges of incorporating formative assessment training into pre service and in service educator training As supporters of large scale testing programs increasingly consider the potential of formative assessments to improve teaching and learning this handbook advances the

subject through novel frameworks intersections of theory research and practice and attention to discernible disciplines
Written for instructors graduate students researchers and policymakers each chapter provides expert perspectives on the
procedures and evaluations that enable teachers to adapt teaching and learning in process toward student achievement
