A Work in Progress Margreet Dietz, 2010 A writer will do anything to avoid the act of writing William Zinsser wrote in his classic *On Writing Well* To improve as writers we have to hone our skills by putting words on the page consistently The 33 exercises in this book will help you do just that In the process you will produce a draft for your own book and decide to complete that other manuscript you have been wrestling with *A Work in Progress Exercises in Writing* started as a personal challenge that helped me win the struggle with my first book *Running Shoes Are a Girl's Best Friend* Combining advice and encouragement from my favourite books on writing I committed to producing 2000 words a day for 10 consecutive days I wrote for quantity and found the result had potential quality This is my third book Let's get started on yours Praise for *A Work in Progress* Its crossover appeal alone existing as a book about both writing and running enlarges its potential audience and affords the author a chance to explore her own

process a chance I feel is pretty significant She does a great job of it too at times overtly and other times almost subversively It s material I can consult linearly or more delightfully in single scoops and it fits in my pocket so I can carry it to a favourite reflection spot
