Breaking Night:

Breaking Night Liz Murray, 2011-05-24 Breaking Night Urban slang for staying up through the night until the sun rises Breaking Night reads more like an adventure story than an addiction morality tale It s a white knuckle account of survival Murray s stoicism has been hard earned it serves her well as a writer Breaking Night itself is full of heart without a sliver of ice and deeply moving The New York Times Book Review Editors Choice From runaway to Harvard student Murray tells an engaging powerfully motivational story about turning her life around In this incredible story of true grit Murray went from feeling like the world was filled with people who were repulsed by me to learning to receive the bountiful generosity of strangers who truly cared Publishers Weekly starred review The admirable story of a teen who overcame homelessness through sheer grit and the kindness of friends An uplifting story of survival Kirkus Reviews Education was the miracle that saved Murray s life Her story is inspirational and her description of her high school and its role in her life should be read by everyone concerned about education Washington Post Book World Truly uplifting Liz Murray has shown us the worst and the very best of America Haven Kimmel author of A Girl Named Zippy and She Got Up Off the Couch

Breaking Night Liz Murray, 2010-09-07 This memoir of a young woman s indomitable spirit to survive and prevail against all odds reveals her journey from homelessness to Harvard Liz Murray was born to loving but drug addicted parents in the Bronx In school she was taunted for her dirty clothing and lice infested hair eventually skipping so many classes that she was put into a girls home At age fifteen Liz found herself on the streets She learned to scrape by foraging for food and riding subways all night to have a warm place to sleep When Liz s mother died of AIDS she decided to take control of her own destiny and go back to high school often completing her assignments in the hallways and subway stations where she slept Liz squeezed four years of high school into two while homeless won a New York Times scholarship and made it into the Ivy League Liz Murray shows us that the human spirit has infinite ability to grow and can never be limited by circumstance Breaking Night is a beautifully written heartfelt memoir that will change the way you look at your community the obstacles in your own life and the American Dream Robert Redford It s not just that Liz Murray s story is astounding and at times incredibly heartbreaking It s not just that her grace alights every page It s that she writes her story as a true writer does with compassion and love for the humanity she experienced That s the real reason Murray s book matters Kerry Cohen author of Loose Girl A Memoir of Promiscuity

Bonded to the Abuser Amy J.L. Baker, Mel Schneiderman, 2015-05-07 Tens of thousands of children are removed from home each year due to some form of child maltreatment usually physical neglect physical abuse or sexual abuse although sometimes for emotional abuse as well An additional significant number of children are victims of child maltreatment but remain in their home Extensive research reveals the far reaching and long lasting negative impact of maltreatment on child victims including on their physical social emotional and behavioral functioning One particularly troubling and complicated aspect is how the child victim forms and maintains a traumatic bond with his abuser even

becoming protective and defensive of that person despite the pain and suffering they have caused This book will provide the reader with the essential experience of understanding how children make meaning of being maltreated by a parent and how these traumatic bonds form and last Through an examination of published memoirs of abuse the authors analyze and reveal the commonalities in the stories to uncover the ways in which adult victims of childhood abuse understand and digest the traumatic experiences of their childhoods This understanding can inform interventions and treatments designed for this vulnerable population and can help family and friends of victims understand more fully the maltreatment experience from the inside out
