Legendary filmmaker and celebrated author Werner Herzog tells in his inimitable voice the story of his epic artistic career in a long awaited memoir that is as inventive and daring as anything he has done before Werner Herzog was born in September 1942 in Munich Germany at a turning point in the Second World War Soon Germany would be defeated and a new world would have to be made out the rubble and horrors of the war Fleeing the Allied bombing raids Herzog s mother took him and his older brother to a remote rustic part of Bavaria where he would spend much of his childhood hungry without running water in deep poverty It was there as the new postwar order was emerging that one of the most visionary filmmakers of the next seven decades was formed Until age 11 Herzog did not even know of the existence of cinema His interest in films began at age 15 but since no one was willing to finance them he worked the night shift as a welder in a steel factory He started to travel on foot He made his first phone call at age 17 and his first film in 1961 at age 19 The wildly productive working life

that followed spanning the seven continents and encompassing both documentary and fiction was an adventure as grand and otherworldly as any depicted in his many classic films Every Man for Himself and God Against All is at once a personal record of one of the great and self invented lives of our time and a singular literary masterpiece that will enthrall fans old and new alike In a hypnotic swirl of memory Herzog untangles and relives his most important experiences and inspirations telling his story for the first and only time The New Schaff-Herzog Encyclopedia of Religious Knowledge Samuel Macauley Jackson,Lefferts Augustine Loetscher,1964 **American Paintings of Herman Herzog** Herman Herzog,1992 **New York City Directory** ,1880 **British Museum Catalogue of printed Books** ,1888 **Description of the Herzog Automatic Return Signal for Telephone, Electric-bells, Call-boxes, and Other Purposes ...** Felix Benedict Herzog,1883 *The New Schaff-Herzog Encyclopedia of Religious Knowledge, Embracing Biblical, Historical, Doctrinal, and Practical Theology, and Biblical, Theological, and Ecclesiastical Biography from the Earliest Times to the Present Day* Lefferts Augustine Loetscher,1958 **An Interview with Werner Herzog** Werner Herzog,Peter Lawrance,Anne-Marie Hewitt, *The Films of Werner Herzog* Timothy Corrigan,2013 First Published in 1986 Routledge is an imprint of Taylor Francis an informa company **Decennial Index to Chemical Abstracts** ,1926 *The New Schaff-Herzog Encyclopedia of Religious Knowledge* ,1977
