Indian Army Weapons:

Civilizational Discourses in Weapons Control Ritu Mathur,2020-07-11 This book seeks to decolonize practices of arms control and disarmament In this endeavor it seeks to problematize our understanding of time and civilization as rhetorical resources The need for such an undertaking can be premised on the claim that while problems of modernity ethnocentrism and universalism are now a central concern within the field of international relations these ideas are scarcely debated or contested within the field of arms control and disarmament The singular focus on technological innovations and specific policy oriented agreements in practices of arms control and disarmament appears to stymie the need for such engagements This book is an invitation to explore intersecting discourses on colonialism racialism nationalism and humanitarianism within a historically grounded terrain of weapons control An understanding of these practices is vital not to prescribe any standards of civilization or exceptionalism in weapons control but to be cognizant through critique of the dangers embedded in any effort at reconstituting the constitutional nuclear order *Iran ready to fill NPT (Non-Proliferation of Nuclear Weapons) today, ,, India told it will signed NPT , if USA provide , veto power in UNSC (temporary) , while Iran never say that it want UNSC veto power, while on other hand INDIA* Ruhel Chisty FRACI CChem A,MRSC CChem, **Jane's Infantry Weapons** ,2001 *Arms and the Man* ,1914 **Navy and Army Illustrated** ,1901 *Weapon of Choice* Matthew C. years after gaining independence The governing of the two wings of the country hundreds of miles apart was a logistical challenge and the cultural economic geographical and language differences became divisive East Pakistan had the larger population albeit in a smaller area but West Pakistan held the political and economic power East Pakistan secured the majority of seats in the 1970 elections but despite winning the majority vote it was deprived of the right to govern This led to a bloody civil war that later escalated into a conflict between Pakistan and India This is the memoir of one Pakistani Army officer who witnessed the events first hand and suffered as a consequence of being a patriotic young company commander who passionately wanted to prevent the break up of his country It is a formal collection of his diary entries documenting his experiences during the civil war the subsequent conflict with India and as a prisoner of war While still a war memoir it is also the raw and heartfelt account of a man separated by duty from his loved ones and ordered along with his young soldiers to fight a pointless war ruthlessly orchestrated by generals and politicians
