## **Moonwalk Michael Jackson:**

**Moonwalk** Michael Jackson, 2009-10-13 In this 1 New York Times bestseller Michael Jackson tells the story of his life in his words In this intimate and often moving personal account of Michael Jackson s public and private life he recalls a childhood that was both harsh and joyful but always formidable Michael and his brothers played amateur music shows and seamy Chicago strip joints until Motown s corporate image makers turned the Jackson 5 into worldwide superstars He talks about the happy prankster days of his youth traveling with his brothers and of his sometimes difficult relationships with his family over the years He speaks candidly about the inspiration behind his music his mesmerizing dance moves and the compulsive drive to create that has made him one of the biggest stars in the music business and a legend in his own time Jackson also shares his personal feelings about some of his most public friends friends like Diana Ross Berry Gordy Quincy Jones Paul McCartney Fred Astaire Marlon Brando and Katharine Hepburn He talks openly about the crushing isolation of his fame of his first love of his plastic surgery and of his wholly exceptional career and the often bizarre and unfair rumors that have surrounded it Illustrated with rare photographs from Jackson family albums and Michael s personal photographic archives as well as a drawing done by Michael exclusively for this book Moonwalk is a memorable journey to the very heart and soul of a modern musical genius Michael Jackson: King of Pop Mary K. Pratt, 2010-01-01 This title chronicles the song and dance genius of the King of Pop whose recent death reinforced the level of his global influence and stardom While covering controversies and oddities from the trial on molestation charges to his cosmetic surgeries to his amusement park house Neverland the book also details his incredible songs videos work habits childhood and groundbreaking career Jackson s music is still popular with young people especially with the convenience of MP3 downloads and the enthusiasm passed down from older fans Lives Cut Short is a series in Essential Library an imprint of ABDO Publishing Company

**Performance and Popular Music** Dr Ian Inglis, 2013-01-28 Since the emergence of rock n roll in the early 1950s there have been a number of live musical performances that were not only memorable in themselves but became hugely influential in the way they shaped the subsequent trajectory and development of popular music Each in its own way introduced new styles confronted existing practices shifted accepted definitions and provided templates for others to follow Performance and Popular Music explores these processes by focusing on some of the specific occasions when such transformations occurred An international array of scholars reveal that it is through the often disruptive dynamics of performance and the interaction between performer and audience that patterns of musical change and innovation can best be recognised Through multi disciplinary analyses which consider the history place and time of each event the performances are located within their social and professional contexts and their immediate and long term musical consequences considered From the Beatles and Bob Dylan to Michael Jackson and Madonna from Woodstock and Monterey to Altamont and Live Aid this book provides an indispensable assessment of the importance of live performance in the practice of popular music and an essential guide to
