

Advanced Placement: English: Literature and Composition

Brief Description of Course

AP Literature and Composition is a college course taught in a high school setting in which we will read and analyze writing of literary merit from a variety of genres and time periods. We will write frequently about the author's use of language to provide meaning and pleasure. Our analyses will consider a work's structure, style, and themes as well as such smaller scale elements as the use of figurative language, imagery, symbolism, and tone. Other types of writing will include creative, individual response, and persuasive pieces.
