Making Sense of Strategy Anthony D. Manning, 2002 Business strategy is not rocket science Its about using pertinent information to make smart decisions and doing it fast enough to keep your business ahead of the curve And while many companies have embraced the 24 7 business paradigm their strategies come from the 9 to 5 era Plain and simple most strategic planning efforts fail because they cant keep up with the evolving demands of the market Standing apart from the piles of discarded management wisdom Making Sense of Strategy provides real practical insights and advice for 21st century businesses Top strategy consultant Tony Manning cuts through layer after layer of guru babble to

bring the reader only the most genuinely valuable information the questions that need to be asked the principles that every organization and its people must adopt and the tools that every company needs in order to develop their core business strategies and create profit Mannings refreshingly streamlined approach to strategy encompasses The value of shared ideas The importance of creating and sustaining unique communities for your products or services The link between a companys values and those of its customers and shareholders And why strategic management is ultimately a conversation one that empowers its participants with a sense of purpose and ownership A real world no nonsense guide Making Sense of Strategy is the key to turning plans into action fast

What is Strategy? Joan Magretta,2020-09-15 When it comes to strategy the mistake most managers make is thinking they have one when they don t Joan Magretta author of the bestselling book Understanding Michael Porter has teamed up with illustrator Emile Holmewood to capture essential strategy concepts in a short easy to understand graphic format Here you ll find the classic Porter frameworks industry structure and the Five Forces competitive advantage and the value chain as well as a set of practical tests to apply in evaluating existing strategies or developing new ones You ll also learn Porter s thinking about critical issues such as scale goal setting sustainability and disruption With a relatable cast of characters a deadlocked team of managers calls in Professor Porter to help them devise a new strategy this book brings a sense of fun to a serious subject It will help you quickly grasp the fundamentals of strategy whether you re a seasoned strategist looking to cut through all the new buzzwords or a new manager about to lead your first strategy meeting

The Trouble With Strategy Kim Warren,2012-12-01 This book describes how strategic management of many businesses is badly done and why this problem has persisted for many decades It explains that the field of strategy is unprofessional and badly flawed having poor theory and few useful reliable principles leaving management with only little to help them do strategy well The book ends by suggesting how setting professional standards for strategy would help and might be done Kim speaks with knowledge of corporate strategy having served as strategy director with Whitbread PLC and having taught strategy on MBA and Executive programs at London Business School He now writes advises and develops courses on Strategy Dynamics to spread this powerful solution for many of the field s problems He has an MBA and PhD from London University and is author of Strategic Management Dynamics published by Wiley Kim says I long ago lost patience with the poor strategy methods currently available and am also increasingly angered by the constant strategy mistakes When people mess up strategy they mess up your life whether you are an employee a customer have a pension or are just a regular citizen There are outstanding exceptions skilled and thoughtful executives consultants with sophisticated and valuable knowledge and professors who are awesome thinkers and educators but they are the exceptions So I take a scalpel to the practice and principles of strategy to figure out exactly what the problems are where they came from and why and how they might be fixed
