Star Wars: The Eye of Darkness (The High Republic) George Mann, 2024-05-28 One year after the tragic events of *The Fallen Star* the Jedi fight to break the Nihil's control over the galaxy The galaxy is divided Following the shocking destruction of Starlight Beacon the Nihil have established an impenetrable barrier called the Stormwall around part of the Outer Rim where Marchion Ro rules and his followers wreak havoc at his every whim Jedi trapped behind enemy lines including Avar Kriss must fight to help the worlds being pillaged by the Nihil while staying one step ahead of the marauders and their Nameless terrors Outside the Nihil's so called Occlusion Zone Elzar Mann Bell Zettifar and the other Jedi work alongside the Republic to reach the worlds that have been cut off from the rest of the galaxy But every attempt to breach the Stormwall has failed and even communication across the barrier is impossible The failures and losses weigh heavily upon both Elzar and Bell as they search desperately for a solution But even if the Republic and Jedi forces manage to breach the Stormwall how can the Jedi fight back against the Nameless creatures that prey on the Jedi's connection to the Force And what other horrors does Marchion Ro have in store As desperation for both the Jedi and the Republic grows any hope of reuniting the galaxy could be all but extinguished

The i-zation of Society, Religion, and Neoliberal Post-Secularism Adam Possamai, 2017-10-30 This book explores the elective affinity of religion and post secularism with neoliberalism With the help of digital capitalism neoliberalism dominates more and more all aspects of life and religion is not left unaffected While some faith groups are embracing this hegemony and others are simply following the signs of the times changes have been so significant that religion is no longer what it used to be Linking theories from Fredric Jameson and George Ritzer this book presents the argument that our present society is going through a process of i zation in which 1 capitalism dominates not only our outer social lives through for example global capitalism but also our inner personal lives through its expansion in the digital world facilitated by various i technology applications 2 the McDonaldization process has now been normalized and 3 religiosity has been standardized Reviewing the new inequalities present in this i society the book considers their impact on Jurgen Habermas's project of post secularism and appraises the roles that various religions may have in supporting and or countering this process It concludes by arguing that Habermas's post secular project will occur but that paradoxically the religious message s will be instrumentalized for capitalist purposes
