of my own contributions are dedicated to the topics typically neglected by other self help authors but of key importance in practice such as removing egoism embracing love improving your thinking process and spirituality and religion Be aware that we are all work in progress I still work on updating my mindset but now it is much easier because I have this book that I keep returning to I hope the book will be as useful to you as it is useful to me The time given to us on this planet is fairly short and it would be wise to use it well When you invest some part of the given time on the process of becoming more effective in living I believe you can gain a lot from that Enjoy the reading
