Copyright Office,1976 **Displaced Families, Dispersed Memories** Johanna Leinonen,Seija Jalagin,Outi Kähäri,Ilmari Leppihalme,Hanna-Leena Määttä,Elina Turjanmaa,2026-02-26 Displaced Families Dispersed Memories explores the memory work and mnemonic practices of families dispersed by war conflict repression occupation or forced migration Against a backdrop of escalating displacement protracted conflict and deepening political and societal instability this volume advances family memory as a vital lens for understanding the enduring human consequences of political upheaval Drawing on case studies from South Asia Europe the Americas and post Soviet spaces in the 20th and 21st centuries the chapters illuminate how memories of rupture whether spoken silenced embodied or materialized shape family reminiscence relationships and well being of descendants These impacts extend long after the original events reaching two or three generations The volume examines family memory as a dynamic intergenerational process It asks how stories of loss and survival circulate through narratives letters photographs rituals and objects and how they persist in gestures sensory

experiences and broader cultural practices The volume also considers how these memories are reimagined in literature activism and art Contributors probe the affective and ethical dimensions of remembering revealing how families negotiate silence trauma and resilience amid shifting political and cultural contexts They show that memory work is not only retrospective but also future oriented as it has the capacity to claim justice foster solidarity and challenge hegemonic narratives that marginalize certain histories The volume is organized around three themes silences and sensory memories trauma and resilience and counter memories It bridges historical and contemporary perspectives combining history sociology social psychology literary studies cultural studies and cultural anthropology The book s 13 chapters demonstrate that family memory is a site of both vulnerability and strength where intimate recollections intersect with national and transnational memory cultures By foregrounding the lived and felt dimensions of displacement Displaced Families Dispersed Memories invites readers to reconsider how families make sense of violent pasts and how these legacies reverberate in present struggles for belonging and recognition
