

A top-down view of a person's hands working on architectural blueprints on a desk. The person is wearing a light-colored sweater. The desk is cluttered with various tools: a laptop in the top left, a calculator in the top right, a yellow hard hat in the middle right, a pair of glasses in the bottom right, and several pens and pencils in the top center. The blueprints show detailed architectural drawings of a building. The text "Application of Mathematics In Civil Engineering" is overlaid in the center of the image.
