As I Lay Dying Novel by William Faulkner Illustrated William Faulkner, 2021-11-28 The

book is narrated by 15 different characters over 59 chapters. It is the story of the death of Addie Bundren and her poor rural family's quest and motivations, noble or selfish, to honor her wish to be buried in her hometown of Jefferson, Mississippi. In the novel's first chapters, Addie is alive though in ill health. Addie and others expect her to die soon, and she sits at a window watching as her firstborn child, Cash, builds her coffin. Anse, Addie's husband, waits on the porch while their daughter, Dewey Dell, fans her mother in the July heat. The night after Addie dies, a heavy rainstorm sets in, rivers rise, and wash out bridges that the family will need to cross to get to Jefferson. The family's trek by wagon begins with Addie's non-embalmed body in the coffin. Along the way, Anse and the five children encounter various difficulties. Stubborn Anse frequently rejects any offers of assistance, including meals or lodging, so at times the family goes hungry and sleeps in barns. At other times, he refuses to accept loans from people claiming he wishes to be beholden to no man, thus manipulating the would-be lender into giving him charity as a gift not to be repaid. Jewel, Addie's middle child, tries to leave his dysfunctional family after Anse sells Jewel's most prized possession, his horse, yet Jewel cannot turn his back on them through the tribulations of the journey to Jefferson. Cash breaks a leg and winds up riding atop the coffin. He stoically refuses to admit to any discomfort, but the family eventually puts a makeshift cast of concrete on his leg. Twice the family almost loses Addie's coffin: first while crossing a river on a washed-out bridge, two mules are lost, and second when a fire of suspicious origin starts in the barn where the coffin is being stored for a night.

Family Dysfunction in William Faulkner's *As I Lay Dying* Claudia Durst Johnson, 2013-04-16. When the matriarch of the Bundren family dies, her family must confront the daunting task of transporting her body across the state of Mississippi for burial in her hometown. As they embark on this journey with the coffin in tow, they face several trials and tribulations that not only complicate their travel but also highlight the innate dysfunction of the family's complex dynamic. This comprehensive volume explores the themes of William Faulkner's *As I Lay Dying* through the lens of family dysfunction, offering readers a critical look at the intersection between literature and sociology. The book examines Faulkner's life and influences and explores

concepts such as the role of maternal influence and sibling rivalry within the novel and within the broader context of society. Chapters also offer a contemporary perspective on family dysfunction through discussion of topics such as the effects of emotional neglect and the role of maternal instincts.

As I Lay Dying William Faulkner, 2026 A cornerstone of American Modernism and arguably William Faulkner's most radical technical achievement, *As I Lay Dying* is the scorching, darkly comic and deeply unsettling story of a promise kept at all costs. Set in the blistering heat of the American South, William Faulkner's *As I Lay Dying* is the raw, unflinching and darkly comic story of the impoverished Bundren family and their disastrous attempt to honor the dying wish of their matriarch Addie Bundren to be buried in her distant hometown of Jefferson. The novel fragments into 59 interior monologues from 15 different characters: the five surviving children and their father, plus various neighbors, each voice offering a skewed, private and often shocking perspective on the family's journey. As they transport the rotting corpse across flooded rivers and through vulture-haunted landscapes, their quest exposes the devastating isolation, secret desires, and mounting madness within the family. This pioneering work of Modernist literature is a profound, unforgettable exploration of grief, duty, and the radical difference between how we see ourselves and how others see us. When Addie Bundren dies in the scorching heat of rural Mississippi, she leaves her family with a final, non-negotiable request: she must be buried in her hometown of Jefferson, forty miles away. The Bundrens, a poor, isolated and often grotesque family, load Addie's coffin onto their wagon and begin a nine-day pilgrimage across the unforgiving Yoknapatawpha landscape. This arduous journey is a trial by fire, water, and madness. Against a backdrop of decaying roads, swollen rivers, and the increasingly putrid odor of Addie's body, the family members—from the stoic, simple carpenter Cash to the tormented, seeing-eye Darl—face overwhelming obstacles: a broken leg, a near-drowning, an act of arson, and the relentless judgment of the townsfolk. Faulkner shatters the traditional novel form, presenting the saga through fifteen distinct and fragmented narrative voices. We enter the minds of Addie's children: the self-sacrificing Cash, the illegitimate horse-obsessed Jewel, the pre-verbal Vardaman, and the unsettlingly articulate Darl, whose chapters form the novel's psychological and philosophical core.

Peculiar Whiteness Justin Mellette, 2021-03-01 *Peculiar Whiteness: Racial Anxiety and Poor Whites in Southern Literature, 1900-1965* argues for deeper consideration of the complexities surrounding the disparate treatment of poor whites throughout southern literature and attests to how broad such experiences have been. While the history of prejudice against this group is not the same as the legacy of violence perpetrated against people of color in America, individuals regarded as white trash have suffered a dehumanizing process in the writings of various white authors. Poor white characters are frequently maligned as grotesque and anxiety-inducing, especially when they are aligned in close proximity to blacks or to people with disabilities. Thus, as a symbol, much has been asked of poor whites and various iterations of the label: e.g., white trash, tenant farmers, or even people

with a little less money than average have been subject to a broad spectrum of judgment pity compassion fear and anxiety Peculiar Whiteness engages key issues in contemporary critical race studies whiteness studies and southern studies both literary and historical Through discussions of authors including Charles Chesnutt Thomas Dixon Sutton Griggs Erskine Caldwell Lillian Smith William Faulkner and Flannery O Connor we see how whites in a position of power work to maintain their status often by finding ways to recategorize and marginalize people who might not otherwise have seemed to fall under the auspices or boundaries of white trash
