**Anthroposcreens** Julia Leyda, 2023-08-10 *Anthroposcreens* frames the climate unconscious as a reading strategy for film and television productions during the Anthropocene Drawing attention to the affects of climate change and the broader environmental damage of the Anthropocene this study mobilizes its frame in concert with other tools from cultural and film studies such as debates over Black representation to provide readings of the underlying environmental themes in Black American and Norwegian screen texts These bodies of work provide a useful counterpoint to the dominance of white Anglo American stories in cli fi while also ranging beyond the boundaries of the cli fi genre to show how the climate unconscious lens functions in a broader set of texts Working across film studies cultural studies Black studies and the environmental humanities *Anthroposcreens* establishes a cross disciplinary reading strategy of the climate unconscious for contemporary film and television productions This title is also available as Open Access on Cambridge Core

**Cinematic Tourist Mobilities and the Plight of Development** Rodanthi

Tzanelli,2018-11-09 It is said that movies have encroached upon social realities creating tourism enclaves based on distortions of history and heritage or simulations that disregard both What localities and nation states value are discarded suppressed or modified beyond recognition in neoliberal markets thus flattening out human experience destroying natural habitats in the name of development and putting the future of whole ecosystems at risk Without disregarding such developmental risks Cinematic Tourist Mobilities and the Plight of Development explores how en route to any beneficial or eco destructive development film tourist industries co produce atmospheres of place and culture with tourists film fans local activists and nation states Drawing on international examples of cinematically induced tourism and tourismophobic activism Tzanelli demonstrates how the allegedly unilateral industry driven design of location stands at a crossroads between political structures systems of capitalist development and resurgent localised agency With an interdisciplinary methodological and epistemological portfolio connected to the new mobilities paradigm this volume will appeal to scholars students and practitioners interested in tourism migration and urban studies in sociology anthropology geography and international relations

Canon Fanfiction Christine Schott,2023-01-30 Several scholarly fields investigate the reuse of source texts most relevantly adaptation studies and fanfiction studies The limitation of these two fields is that adaptation studies focuses narrowly on retelling usually in the form of film adaptations but is not as well equipped to treat other uses of source material like prequels sequels and spinoffs On the other hand fanfiction studies has the broad reach adaptation studies lacks but is generally interested in underground production rather than material that goes through the official publication process and thus enters the literary canon This book sits in the gap between these fields discussing published novels and their contribution to the scholarly engagement with their pre and early modern source material as well as applying that creative framework to the teaching of literature in the college classroom

**Encyclopedia of Nordic Crime Fiction** Mitzi M. Brunsdale,2016-04-27 Since the late 1960s the novels of Sjowall and Wahloo s Martin Beck detective series along with the works of Henning Mankell Hakan Nesser and Stieg Larsson have sparked an explosion of Nordic crime fiction grim police procedurals treating urgent sociopolitical issues affecting the contemporary world Steeped in noir techniques and viewpoints many of these novels are reaching international audiences through film and television adaptations This reference guide introduces the world of Nordic crime fiction to English speaking readers Caught between the demands of conscience and societal strictures the detectives in these stories like the heroes of Norse mythology know that they and their world must perish but fight on regardless of cost At a time of bleak eventualities Nordic crime fiction interprets the bitter end as a celebration of the indomitable human spirit
