*When Your Children Hurt* Charles Stanley, 2008-02-12 There are no easy answers to life's problems. This is especially true when a loved one is hurting. In *When Your Children Hurt*, Dr. Charles Stanley addresses many of the issues families face when a child is fighting a long-term illness, the effects of abuse, or other issues such as drugs or immorality. It's during those times when feelings of hopelessness can quickly become despair. Dr. Stanley reminds us God has an answer for our deepest need, but we must seek His help. How do you deal with the heartache of watching your child face painful situations? There is only one way through faith in Jesus Christ. You can spend a lifetime trying to fix a situation that only He can mend. Or you can trust Him and watch Him work mightily to bring hope to your most hopeless situation.

**How To Keep Your Kids On The Team** Charles F. Stanley, 1996-12-01 It's not what you think that will impact your child; it's what you communicate. Charles Stanley focuses on the parental role as one of stewardship rather than ownership. As a parent, you have a stewardship entrusted to you and are responsible to God for your actions toward your children. To keep your children on your team, you must assure them from the beginning that you are on theirs.
