Cambridge International AS & A Level Chemistry Student's Book Second Edition Peter Cann, Peter Hughes, 2020-04-27

This title is endorsed by Cambridge Assessment International Education to support the full syllabus for examination from 2022. Confidently navigate the updated Cambridge International AS A Level Chemistry 9701 syllabus with a structured approach ensuring that the link between theory and practice is consolidated. Scientific skills are applied and analytical skills developed. Enable students to monitor and build progress with short self-assessment questions throughout the student text with answers at the back of the book so students can check their understanding as they work their way through the chapters. Build scientific communication skills and vocabulary in written responses with a variety of exam-style questions. Encourage understanding of historical context and scientific applications with extension boxes in the student text. Have confidence that lessons cover the syllabus completely with a free Scheme of Work available online. Provide additional practice with the accompanying write-in Practical Skills Workbooks which once completed can also be used to recap learning for revision.
