Goodreads Choice Finalist Practice Workbook:

The Underground Girls of Kabul Jenny Nordberg, 2015-07-14 An investigative journalist uncovers a hidden custom in Afghanistan that will transform your understanding of what it means to grow up as a girl An astonishingly clear picture of this resourceful if imperfect solution to the problem of girlhood in a society where women have few rights and overwhelming restrictions The Boston Globe In Afghanistan a culture ruled almost entirely by men the birth of a son is cause for celebration and the arrival of a daughter is often mourned as misfortune A bacha posh literally translated from Dari as dressed up like a boy is a third kind of child a girl temporarily raised as a boy and presented as such to the outside world Jenny Nordberg the reporter who broke the story of this phenomenon for the New York Times constructs a powerful and moving account of those secretly living on the other side of a deeply segregated society where women have almost no rights and little freedom The Underground Girls of Kabul is anchored by vivid characters who bring this remarkable story to life Azita a female parliamentarian who sees no other choice but to turn her fourth daughter Mehran into a boy Zahra the tomboy teenager who struggles with puberty and refuses her parents attempts to turn her back into a girl Shukria now a married mother of three after living for twenty years as a man and Nader who prays with Shahed the undercover female police officer as they both remain in male disguise as adults At the heart of this emotional narrative is a new perspective on the extreme sacrifices of Afghan women and girls against the violent backdrop of America's longest war Divided into four parts the book follows those born as the unwanted sex in Afghanistan but who live as the socially favored gender through childhood and puberty only to later be forced into marriage and childbirth The Underground Girls of Kabul charts their dramatic life cycles while examining our own history and the parallels to subversive actions of people who live under oppression everywhere The Routledge Companion to Theatre-Fiction Graham Wolfe, 2023-11-14 Novelists have long been attracted to theatre Some have pursued success on the stage but many have sought to combine these worlds entering theatre through their fiction setting stages on their novels pages and casting actors directors and playwrights as their protagonists The Routledge Companion to Theatre Fiction has convened an international community of scholars to explore the remarkable array of novelists from many eras and parts of the world who have created fiction from the stuff of theatre asking what happens to theatre on the pages of novels and what happens to novels when they collaborate with theatre From J W Goethe to Louisa May Alcott Mikhail Bulgakov Virginia Woolf and Margaret Atwood some of history's most influential novelists have written theatre fiction and this Companion discusses many of these figures from new angles But it also spotlights writers who have received less critical attention such as Dorothy Leighton Agust n de Rojas Villandrando Ronald Firbank Syed Mustafa Siraj Li Yu and Vicente Blasco Iba ez bringing their work into conversation with a vital field A valuable resource for students scholars and admirers of both theatre and novels The Routledge Companion to Theatre Fiction offers a wealth of new perspectives on topics of increasing critical concern including intermediality theatricality antitheatricality mimesis diegesis and performativity
