

JULIUS CAESAR

PHILIP FREEMAN

"The scholar will find much to admire in this book, but, better still, the newcomer to ancient Rome will turn its pages with excitement, enlightenment—and sheer narrative suspense."

—Anthony Everitt, author of *Augustus* and *Cicero*

Julius Caesar Philip Freeman:

Julius Caesar Philip Freeman,2008-05-13 More than two thousand years after his death Julius Caesar remains one of the great figures of history He shaped Rome for generations and his name became a synonym for emperor not only in Rome but as far away as Germany and Russia He is best known as the general who defeated the Gauls and doubled the size of Rome s territories But as Philip Freeman describes in this fascinating new biography Caesar was also a brilliant orator an accomplished writer a skilled politician and much more In this biography Freeman presents Caesar in all his dimensions and contradictions With remarkable clarity and brevity Freeman shows how Caesar dominated a newly powerful Rome and shaped its destiny This book will captivate readers discovering Caesar and ancient Rome for the first time as well as those who have a deep interest in the classical world **BOOK JACKET**

Julius Caesar Orlando W Qualley Chair of Classical Languages and Chair of the Classics Department Philip Freeman,Philip Freeman,2010-03-01 Julius Caesar is highly regarded today as a military strategist and tactician and as the ambitious conqueror who expanded Roman territory several times over Less well known is Caesar the man his early years spent as a priest his first marriage to General Cinna s Daughter his refusal to divorce his wife under threat of death during a civil war his decision to join the army and his devotion to his family Julius Caesar is a comprehensive work that touches all the important aspects of his life without miring readers in unnecessary details Indisputably one of the most fascinating leaders in history he is immersed in contradictions a virtual dictator who continued to act on behalf of the plebeians and an intellectual who was capable of cruel vengeance Philip Freeman a distinguished classicist and brilliantly insightful author describes Caesar in all his complexity creating a stunning and engaging work that is destined to be a classic Julius Caesar packed more into his life than most of history s great men and Philip Freeman unpacks it all with skill and clarity Anthony Everitt author of Augustus and Cicero Philip Freeman is the author of five books on classical Irish and Celtic history and is the Qualley Chair of Classics at Luther College Iowa and recipient of numerous fellowships in the US and Europe

A Viper in the Fire Brixen S. Cole,2015-03-27 History gives birth to twin nightmares Two lost souls a war veteran and a war refugee tormented by their past find each other in the depths of suffering and despair Over the course of actual recorded history they aid each others search for vengeance and ultimately redemption This novel is the first of two books that follows ancient Roman history Beginning at the final battle of the Roman Civil War and ending with the assassination of the first real global dictator Only the deaths of the key figures from the past have been re imagined in gruesome detail The timeline is accurate and undisputed The manner in which the deaths occur are fact but at whose hands will always remain a mystery even for the most learned historians

Alexander the Great Philip Freeman,2011-01-04 In the first authoritative biography of

Alexander the Great written for a general audience in a generation classicist and historian Philip Freeman tells the remarkable life of the great conqueror The celebrated Macedonian king has been one of the most enduring figures in history He was a general of such skill and renown that for two thousand years other great leaders studied his strategy and tactics from Hannibal to Napoleon with countless more in between He flashed across the sky of history like a comet glowing brightly and burning out quickly crowned at age nineteen dead by thirty two He established the greatest empire of the ancient world Greek coins and statues are found as far east as Afghanistan Our interest in him has never faded Alexander was born into the royal family of Macedonia the kingdom that would soon rule over Greece Tutored as a boy by Aristotle Alexander had an inquisitive mind that would serve him well when he faced formidable obstacles during his military campaigns Shortly after taking command of the army he launched an invasion of the Persian empire and continued his conquests as far south as the deserts of Egypt and as far east as the mountains of present day Pakistan and the plains of India Alexander spent nearly all his adult life away from his homeland and he and his men helped spread the Greek language throughout western Asia where it would become the lingua franca of the ancient world Within a short time after Alexander s death in Baghdad his empire began to fracture Best known among his successors are the Ptolemies of Egypt whose empire lasted until Cleopatra In his lively and authoritative biography of Alexander classical scholar and historian Philip Freeman describes Alexander s astonishing achievements and provides insight into the mercurial character of the great conqueror Alexander could be petty and magnanimous cruel and merciful impulsive and farsighted Above all he was ferociously intensely competitive and could not tolerate losing which he rarely did As Freeman explains without Alexander the influence of Greece on the ancient world would surely not have been as great as it was even if his motivation was not to spread Greek culture for beneficial purposes but instead to unify his empire Only a handful of people have influenced history as Alexander did which is why he continues to fascinate us

Michael Sata: Portrait of a Populist Reginald Ntomba,2021-12-17 Sata was a giant figure in Zambia s political landscape for over thirty years Reginald Ntomba argues that how Sata became president is as thought provoking a story as what he did with the power he had spent decades fighting for He explores the political journey of Michael Sata from councillor to president of Zambia relating Sata s policies and approaches to theories of populism In opposition Sata promised the electorate more money in their pockets In power he tried to improve the lives of the poor and underprivileged and to develop the country through huge infrastructure projects But he incurred massive debts ran a chaotic government and refused others in politics the freedoms he had enjoyed His term in office was cut short by sickness and finally his death

Hannibal Philip Freeman,2022-02-01 Telling the story of a man who stood against the overwhelming power of the mighty Roman empire Hannibal is the biography of a man who against all odds dared to change the course of history Over two thousand years ago one of the greatest military leaders in history almost destroyed Rome Hannibal a daring African general from the city of Carthage led an army of warriors and battle elephants over the snowy Alps to invade the very heart of Rome s growing empire But what kind of person would dare to face the most relentless imperial power of the ancient world How could Hannibal consistently outnumbered and always deep in enemy territory win battle after battle until he held the very fate of Rome within his grasp Hannibal appeals to many as the ultimate underdog a Carthaginian David against the Goliath of Rome but it wasn t just his genius on the battlefield that set him apart As a boy and then a man his self discipline and determination were legendary As a military leader like Alexander the Great before him and Julius Caesar after he understood the hearts of men and had an uncanny ability to read the unseen weaknesses of his enemy As a commander in war Hannibal has few equals in history and has long been held as a model of strategic and tactical genius But Hannibal was much more than just a great general He was a practiced statesman a skilled diplomat and a man deeply devoted to his family and country Roman historians on whom we rely for almost all our information on Hannibal portray him as a cruel barbarian but how does the story change if we look at Hannibal from the Carthaginian point of view Can we search beneath the accounts of Roman writers who were eager to portray Hannibal as a monster and find a more human figure Can we use the life of Hannibal to look at the Romans themselves in an unfamiliar way not as the noble and benign defenders of civilization but as ruthless conquerors motivated by greed and conquest **FRICTION—The Untapped Force That Can Be Your Most Powerful Advantage** Roger Dooley,2019-05-17 NAMED A BEST BUSINESS BOOK OF 2019 by strategy business Annually 4 6 trillion of merchandise is left in abandoned e commerce shopping carts Every year the U S economy loses 3 trillion dollars in productivity due to excess bureaucracy Red tape and over complicated licenses have contributed to China s GDP exceeding India s by 82 trillion over the span of just three decades If you re a business leader these statistics should give you nightmares According to science based marketing and business expert Roger Dooley they illustrate the real and growing threat of friction which he defines as the unnecessary expenditure of time effort or money in performing a task In today s high speed customer empowered world the levels of swiftness and efficiency of business transactions will determine ultimate

success or failure In this groundbreaking guide Dooley helps you spot the inevitable points of friction in your organization and he provides the tools and insight you need to eliminate them By truly understanding the impact friction can have you ll be able to establish positive habits and eliminate negative ones all with the end result of building a company that s the envy of your industry Friction takes you step by step through the process of Empowering frank conversations Guiding individual and team behaviors Getting ahead of friction Optimizing the customer experience Building a frictionless corporate culture Combining scientific research with real life examples of leaders who have conquered business friction Dooley teaches you how to identify roadblocks alter them for the benefit of both business and customer and create positive lasting change If you re in a leadership position now is the time to declare war on friction before your competitors do Stamp out ridiculous rules pointless procedures and meaningless meetings Become a relentless advocate for the customer and for minimizing customer effort Lubricate every point of friction and make your company run like a well oiled machine Friction provides the know how you need to lead your company to industry dominance [2007 Guide to Literary Agents](#) Joanna Masterson,2006-07-21 The Top Resource for Writers Seeking Professional Representation **Julius Caesar** Jacob Abbott,2018-01-23 More than two thousand years after his death Julius Caesar remains one of the great figures of history He shaped Rome for generations and his name became a synonym for emperor not only in Rome but as far away as Germany and Russia He is best known as the general who defeated the Gauls and doubled the size of Rome s territories But as Philip Freeman describes in this fascinating new biography Caesar was also a brilliant orator an accomplished writer a skilled politician and much more We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

Alexander the Great Philip Freeman,2011-10-18 Alexander the Great Alexander III of Macedon was one of history s great generals a man studied by Caesar and Napoleon among hundreds of others He was born to the king of Macedon and educated by Aristotle whose inquiring mind Alexander appreciated After his father Philip II was assassinated the 19 year old Alexander succeeded to the throne and swiftly consolidated power Over the next 13 years until his death at age 32 Alexander created one of the great empires of history covering an area as far south as Egypt and as far east as Afghanistan and India Most of the world that he conquered had been the province of the Persian Empire Upon his death his empire was broken up and ruled by his generals the best known were the Ptolemies who ruled Egypt until Cleopatra was defeated by Caesar

Alexandria Egypt and many other Alexandrias throughout that part of the world were named in his honour Alexander's greatest influence was not his leadership his empire was eventually conquered by Rome but spreading Greek culture throughout the lands east of the Mediterranean He is the reason that gold coins from Afghanistan depicted Greek gods and heroes until as recently as several centuries ago It is because of Alexander that St Paul a Jew who lived in modern day Syria before travelling to modern day Israel spoke Greek and it is because of Alexander that the earliest Christian documents including the scriptures were written in Greek

Heroes of Olympus Philip Freeman,2012-05-01 Accessible fast paced retellings of the most important classical Greek and Roman myths adapted for middle graders Ancient myths continue to have modern relevance for thousands of years they have been the basis for plays operas paintings and movies And in these retellings from acclaimed writer and scholar Philip Freeman classic tales from Greek and Roman mythology find new life and inspire aspiring writers artists and musicians Adapted from the lengthier Oh My Gods and specially tailored to a younger audience these irresistible stories of philandering gods flawed heroes and tragic lovers portray the fundamental aspects of humanity and are filled with entertaining drama and valuable insights Sixty dramatic illustrations enliven the book

The Philosopher and the Druids Philip Freeman,2006-03-01 Early in the first century B C a Greek philosopher named Posidonius began an ambitious and dangerous journey into the little known lands of the Celts A man of great intellectual curiosity and considerable daring Posidonius traveled from his home on the island of Rhodes to Rome the capital of the expanding empire that had begun to dominate the Mediterranean From there Posidonius planned to investigate for himself the mysterious Celts reputed to be cannibals and savages His journey would be one of the great adventures of the ancient world Posidonius journeyed deep into the heart of the Celtic lands in Gaul There he discovered that the Celts were not barbarians but a sophisticated people who studied the stars composed beautiful poetry and venerated a priestly caste known as the Druids Celtic warriors painted their bodies wore pants and decapitated their foes Posidonius was amazed at the Celtic women who enjoyed greater freedoms than the women of Rome and was astonished to discover that women could even become Druids Posidonius returned home and wrote a book about his travels among the Celts which became one of the most popular books of ancient times His work influenced Julius Caesar who would eventually conquer the people of Gaul and bring the Celts into the Roman Empire ending forever their ancient way of life Thanks to Posidonius who could not have known that he was recording a way of life soon to disappear we have an objective eyewitness account of the lives and customs of the ancient Celts

St. Patrick of Ireland Philip Freeman,2005-03 An authoritative modern portrait of Ireland's patron saint and the letters that revealed intimate information about his belief system and life in Ireland
