[Dalkir, K. (2023). *Knowledge management in theory and practice (Fourth edition)*. The MIT Press. ISBN 9780262048125. p. 398, price 74.68 USD.]

The reviewed book “Knowledge Management in Theory and Practice (Fourth edition)” “covers a wide range of topics related to knowledge management (KM) by discussing a variety of subjects in 14 chapters and reflects the title “theory and practice” by providing a comprehensive overview starting from delving into the history of KM and ending with discussing the future of KM through covering all related topics as KM Models, Practices, Strategies which reflect as a state of the art of KM theories, also Each chapter includes examples and case studies to give a wider picture of the explained concepts and techniques and provide samples of applications and tools which enhance the practical side of the book.

The author introduces each chapter by citing a famous citation that helps in understanding the aim of the chapter, for example, chapter 2 opens with Kahlil Gibran’s citation: “A little knowledge that acts are worth infinitely more than much knowledge that is idle” (P.21) and within that’s chapter the author explained a group of KM process and gives an idea about how knowledge can be created, stored and used in the organization.

The book begins with a comprehensive examination of KM in its first chapter, delving into its historical roots and fundamental principles. The author emphasizes the significance of knowledge as a critical intellectual asset and underscores the interdisciplinary nature of KM, also employs concept analysis to provide a thorough definition of key KM definition and
