Pmbok 5th Edition Formulas:

The Influencing Formula Elizabeth Larson, Richard Larson, 2012-10-01 Today's global business environment is complex. Organizations find it a challenge to keep pace with rapid advancements. Business analysts, project managers, process analysts, and other information workers have to influence various stakeholders regardless of their position in the organization. What makes this ability to influence without authority seem so easy for some and nearly impossible for others? Successful influencers have learned to be trusted advisors in their organizations. They employ three critical ingredients which the authors call the Influencing Formula. This book reveals how the Influencing Formula works and illustrates how it is the new mandate required to effectively influence without authority in any type of organization, large or small. Project Management For Dummies Stanley E. Portny, 2013-04-09 The bestselling bible of project management. In today's time-crunched, cost-conscious global business environment, tight project deadlines and stringent expectations are the norm. Now with 25 percent new and updated content, *Project Management For Dummies* introduces you to the principles of successful project management and shows you how to motivate any team to gain maximum productivity. You'll learn how to organize, estimate, and schedule projects efficiently and effectively. You'll also discover how to manage deliverables, issue changes, assess risks, maintain communications, and live up to expectations by making the most of the latest technology and software and by avoiding common problems that can trip up even the best project managers. The latest information on measuring project management ROI and value to the organization and customers. Managing Continuous Process Improvement. Examples of formats used for different aspects of project management. Managing distressed projects and managing multiple team projects. Hierarchical decomposition and how it can dramatically improve the effectiveness of project planning and control. The latest trend of embracing the use of social media to drive efficiency and improve socialization. New information on managing and resolving conflicts that occur during a project. Explanations of concepts tested in the PMP certification exam with study tips and practices to help you pass. *Project Management For Dummies* gives professionals like you everything you need to be successful project managers. PMI, CAPM, PMP, and Project Management Professional are registered marks of the Project Management Institute Inc. **PMP Certification: Excel with Ease 2/e** Subramanian Chandramouli, 2013 PMP Certification *Excel with Ease* is a self-study guide and is essential to all Project Management Professional aspirants to clear the certification examination. The book is based on A Guide to the Project Management Body of Knowledge (PMBOK) Guide, fifth edition, which presents a set of standard terminology and guidelines for project management. Project Management Harold Kerzner, 2013-02-04 The bestselling project management text for students and professionals, now updated and expanded. This Eleventh Edition of the bestselling bible of project management maintains the streamlined approach of the prior editions and moves the content even closer to PMI's Project Management Body of Knowledge (PMBOK). New content has been added to this edition on measuring project management ROI, value to the organization, and to customers, and much more.
