Self Help Mindset Hardcover:

Legacy Mindset Korey Shaffer, 2024-10-15 We're all broken in some way but broken is not forever. In fact, it's just part of the story of how we build our legacies. Entrepreneur and US Marine Korey Shaffer's road through life was tougher than most. After returning from a harrowing tour of duty in Afghanistan and still aching from his troubled childhood and adolescence, Shaffer felt his chance to leave something of value to the world might have passed. But even in despair, he knew that many did not return home at all or returned more broken than he was. Determined that the wounded and fallen not be abandoned or forgotten, Shaffer founded the Til Valhalla Project, an organization devoted to honoring the fallen and preventing veteran suicides. Til Valhalla unexpectedly proved to be Shaffer's salvation as well. Sharing intimate details from his square peg childhood, reckless adolescence, brotherhood-seeking teen years, and traumatic experiences in combat and back home, Shaffer demonstrates that society doesn't dictate who we are or will be; that is up to us. The path to who we can become lies through careful daily exercise of will, repetition, and affirmation. Shaffer is convinced that the discipline he drew from this struggle can be of use to others. What it takes to overcome the broken state, Shaffer contends, is a willingness to face pain head-on and use adversity as rocket fuel to regain purpose and create resilience. In *Legacy Mindset: Take Charge of Today and Build Extreme Resilience*, Shaffer lays out the sinews and bones of the daily discipline that allowed him to repair what was broken and build upon it. He challenges us to evaluate whether our pain is constructive or destructive, reassess what things in life we assign value to, radically change our daily habits by practicing micro-disciplines, trust our intuition when it is telling us to speak up, and commit to excellence in everything we do, even when no one is watching. *You Are a Badass at Making Money* Jen Sincero, 2018-04-03 A cheerful manifesto on removing obstacles between yourself and the income of your dreams. *New York Magazine*. From the #1 *New York Times* bestselling author of *You Are a Badass*, a life-changing guide to making the kind of money you've only ever dreamed of. *You Are a Badass at Making Money* will launch you past the fears and stumbling blocks that have kept financial success beyond your reach. Drawing on her own transformation over just a few years from a woman living in a converted garage with tumbleweeds blowing through her bank account to a woman who travels the world in style, Jen Sincero channels the inimitable sass and practicality that made *You Are a Badass* an indomitable bestseller. She combines hilarious personal essays with bite-size aha concepts that unlock earning potential and get real results. Learn to uncover what's holding you back from making money. Give your doubts, fears, and excuses the heave-ho. Relate to money in a new and lucrative way. Shake up the cocktail of creation. Tap into your natural ability to grow rich. Shape your reality. Stop playing victim to circumstance. Get as wealthy as you wanna be. This book truly crystallizes the concept that financial abundance is an inside job in that it all begins with your mindset, and Sincero gets serious in the funniest ways possible about helping you identify your particular limiting beliefs surrounding money. *PopSugar*. **Faith Over Fear** Mandy Schaniel, 2023-10-26 Fear that pesky four-letter word drives so much of our life.
