Chapters Nineteen and Twenty

Standards Focus: Theme

Theme is the central idea in a work of literature. The theme of a piece of literature should not be confused with the subject of the work, but rather, it is a general statement about life or human nature. Most themes are not completely obvious and must be inferred by the reader. The reader must take a good look at the characters, plot, setting, mood, even the title, and how they work together, to understand and recognize the reasons Hurston wrote this particular piece of literature.

Directions: For numbers 1-5, a theme from the novel has been chosen. Find a quote from the text which best illustrates each theme. For numbers 6-10, a quote has been taken directly from the text. Write what additional themes these quotes reveal or suggest. **Remember that theme is not a one-word response, but rather, a complete statement of opinion.** The chapter number has been given in order for you to look up the reference if necessary.
