Telling the Story Geoff Mead, 2014-03-13 How to master the art of narrative leadership Telling the Story shows how leaders affect

our understanding of what is possible and desirable through the stories they tell It opens a door into the world of narrative leadership what stories are and how they work when to tell a story and how to tell one well and how the language and metaphors we use influence our actions and change how we think about the world Explains how narrative leadership shapes and defines what s possible on an organizational level Written by a renowned consultant on the art of narrative leadership Challenges leaders to consider how narrative can influence and help create the kind of society they envision **Your Leadership Story** Tim Tobin,2015-03-16 Stories have power They move people in a way that facts and figures can t Many leaders use stories as a tool but leadership development expert Tim Tobin says most have no idea what tale their own leadership is telling He shows how by thinking of your career as a narrative with a plot characters and an arc you can increase your awareness of yourself as a leader and become more effective insightful and inspiring Using story as both a metaphor and a process for self development Tobin offers activities and questions that help you better understand your own leadership and how others perceive it What is the plot of your leadership story your overall goals and purpose Who are the main characters and what roles do they play How have the settings of your story influenced it What are the conflicts that you need to resolve to move toward the ending you intend But you have to share your story to make it an effective leadership tool Tobin gives detailed advice on framing your message finding ways to communicate it and understanding the role others play in furthering that message If you don t tell your leadership story other people will and it may not be the story you want told Taking control of your leadership story enables you to more consciously shape the impact you have in the world You ll be better equipped to make decisions choose actions that tell the story you want to tell make stronger connections to those you lead and ensure that you become the kind of leader you want to be A Course of Study in History and Handbook to the State Series Advanced Text Archibald B.
