detective series devoted to the adventures of private eyes Philip Marlowe and Sam Spade and the spine tingling anthology programs Lights Out and Suspense Thrillers Chillers and Killers is the first book to explore in detail noir storytelling on the two media arguing that radio's noir dramas played an important role as a counterpart to influence on or a spin off from the noir films Besides shedding new light on long neglected radio dramas and a medium that was cinema's major rival this scrupulously researched yet accessible study also uses these programs to challenge conventional understandings of the much debated topic of noir *Bulletin* English Association, 1924 Bibliographies of English language and literature lists of new members of the association and lists of publications of the association are included **Genreflecting** Betty Rosenberg, 1986
