Strategic Management Dr. M. Sampath Nagi, Dr. S. A. Senthil Kumar, Dr. Maya Madhavan, 2025-08-14 This comprehensive guide to Strategic Management explores the foundations, processes and execution of strategic thinking in modern organizations. Covering essential topics such as strategic vision, environmental analysis, competitive strategies and implementation frameworks, the book equips students and professionals with the tools to make informed, effective decisions. Each unit is designed to build practical insight into dynamic business environments, making this text an essential resource for mastering strategy formulation and execution in today's competitive world. *Taxmann's Strategic Management - Thorough Exploration of Strategic Management Concepts | Tools | Techniques with Real-life Examples | Case Studies | Indian Managerial Ethos Towards Globalisation* N. Chandrasekaran, P.S. Ananthanarayanan, 2024-02-21 This book discusses the crucial role of strategic management in leveraging technology, digitalisation, smart manufacturing and globalisation to gain a competitive advantage in today's dynamic market. It highlights how companies vie not just for resources and capabilities but also for innovative ideas and market presence to ensure sustainable growth. The narrative underscores the creation of strategic assets and intents, positioning firms as industry leaders and setting new standards of excellence across global markets. This book is designed for students enrolled in Strategic Management courses, whether in management programs or specialised strategic management courses, and professionals seeking to deepen their understanding of strategic management principles and applications. The present publication is the 2nd Edition, authored by N. Chandrasekaran and P. S. Ananthanarayanan. The noteworthy features of the book are as follows: Integration of Global and Indian Business Context: The book presents an in-depth look into the strategic management practices that have shaped successful international and Indian companies, emphasising the creation of intangible and physical assets in competitive markets. Evolution of Strategic Management: It traces the development of strategic management from various perspectives, including Long Range Planning, Business Policy and Corporate Planning, to its current significance in ensuring sustainable growth in a fluctuating business environment. Comprehensive Approach: The text presents a holistic view of strategic management, covering the spectrum from strategic planning to execution. It addresses the challenges of global mergers, market entries and technological advancements, highlighting their impact on corporate strategies and host countries. Practical Insights and Indian Ethos: Through exhibits, case studies and examples, the book reflects the Indian managerial scenario and ethos, offering a unique perspective on globalisation and strategic management. For a Diverse Audience: Aimed at management students, practising managers and professionals across sectors, this book elucidates concepts, tools and techniques of strategic management, making them relatable to real-life business situations. Structured Learning Experience: Each chapter begins with clear learning objectives and unfolds systematically, blending theory with practical applications. Illustrations, examples from real life or industry and case studies for classroom discussion are included to enrich the learning experience. The detailed contents of the book are as
