

The Outsiders

New Outdoor Creativity

The road culture around hiking, surfing, sailing, canoeing, camping, skiing, and mountaineering.

More and more of us are turning to the great outdoors when seeking peace, solitude, and a sense of adventure in either our daily lives—whether taking through-the-mountains, paddling, or a simple hike—or every spare moment, in a quest for peace from our hectic lives. The Outsiders show you the outdoor and passions of the new outdoor culture that has emerged and how important these new passions are, along with the gear and products needed, and more.

The Outsiders explores the outdoor and sporting culture of today's newly recreational outdoor and lifestyle enthusiasts. Catering to outdoor enthusiasts, these outsiders are redefining the ways in which the fundamental challenges posed by the wilderness (over the traditional needs of design, nature, and recreation). The result is a new outdoor culture that is both the traditional and the new.

Complementing the rich tradition of design, The Outsiders features interviews with the people from across the outdoor world. These include gear specialists, as well as designers of outdoor gear, and their own. The Outsiders features the work of outdoor designers, such as the work of the Outsiders, the work of the Outsiders, and the work of the Outsiders. The Outsiders features the work of the Outsiders, the work of the Outsiders, and the work of the Outsiders.
