The Sacred Name Broadcaster ,2000

Yahweh Hegumen Abraam Sleman, 2025-12-08 In the sacred scriptures the name of God holds immense significance embodying His nature authority and relationship with humanity Yahweh The Hebrew Name of God delves into the profound depths of this divine name exploring its linguistic roots theological implications and its critical role in both the Old and New Testaments The journey begins with an examination of Yahweh the name of the heavenly Father unveiling the mystery of the Tetragrammaton and the various forms and combinations of this sacred name Understanding the distinctiveness of Yahweh s name sets the foundation for appreciating the continuity and fulfillment of His divine plan through the Lord Jesus Yahshua the Son In Chapter 2 we explore the name Yahshua the self revelation of Yahweh in the flesh This chapter elucidates the profound unity between Yahweh and Yahshua Jesus highlighting how Yahshua embodies the essence and authority of the Father We delve into the linguistic and theological significance of the name Yahshua its role in the New Testament and the importance of using the biblical Hebrew name alongside the traditional translated name Jesus The exploration continues with an analysis of Yahweh s name in various Bible translations examining the historical context and the different approaches to translating the divine name This section underscores the necessity for contextual understanding to fully grasp the significance of Yahweh s name across different languages and cultures Chapter 4 addresses the significance of Yahweh s name highlighting its unique distinction and the deeper understanding of God that comes

through His name Following this we investigate Yahweh s role within the covenantal context tracing His promises and their fulfillment from Abraham to the New Covenant prophesied by Jeremiah and Ezekiel In Chapter 6 we turn our focus to Yahweh s name in worship and liturgy exploring Yahweh s presence in the Shema psalms hymns blessings benedictions and festivals This chapter also examines how Yahweh s name is symbolically represented in synagogues and religious practices Yahweh s character and deeds are reflected in the various titles and attributes ascribed to Him such as Yahweh Sabaoth Yahweh Shalom and Yahweh Rapha Chapter 7 explores these names revealing the multifaceted nature of God and His interactions with humanity The majesty of Yahweh s name its holiness and its manifestations are the focus of Chapter 8 This section delves into Yahweh s immutable and eternal nature His honor and authority and His worthiness of praise and worship We reflect on how His acts and deeds are commemorated through His name Chapter 9 addresses the seriousness of misusing Yahweh s name emphasizing the importance of honoring it as commanded in the Third Commandment We discuss the prohibition against false oaths and the call to uphold the sanctity of Yahweh s name The final chapter Chapter 10 is dedicated to proclaiming the name of Yahweh We explore the historical and prophetic context methods of proclamation and the challenges and opposition faced by those who declare His name The impact of proclaiming Yahweh s name and practical ways to do so today is also discussed providing a comprehensive guide for believers to continue this sacred mission This book aims to deepen your understanding and reverence for the name of Yahweh and its connection to the name of Yahshua Jesus encouraging you to honor and proclaim His name in all aspects of life May this exploration of His divine name enrich your faith and draw you closer to the heart of God in the name of our Lord Jesus Christ (Yehovah) G Parke-Taylor,1975-10

Biblical tradition asserts that the revelation of God to Moses in the burning bush involved also a declaration of the divine name the Tet represented by the letters Y H W H and its meaning There are indications that the divine name was known prior to the time of Moses although ultimate questions of origin and precise meaning are shrouded in obscurity IN fact even the exact pronunciation of the name usually pronounced YAHWEH is by no means certain The author of *The Divine Name in the Bible* surveys the immense literature on this subject and traces the use of various names for deity in Israel from patriarchal times onwards with special attention to the significance of the Tetragrammaton which in course of time became the name by which the God of Israel was known Various aspects of the theological meaning of the name in the Old Testament writings are explored The Dead Sea Scrolls the Jewish Talmudic literature and later mystical writings are also examined The translators of the Old Testament into Greek used Kyrios as the equivalent for YHWH with implications for the New Testament understanding of the person of Jesus Christ reflected also in subsequent Christological formulations *Yahweh's Scriptures For Salvation* P. C. O. Y.,2014-06-23

ENGLISH SCRIPTURES Large letter edition With a strict restoration of the proper names of Yahweh and Yahshua Words like Thou thee yee thine and many other words have been updated to modern English
