The Shape Of Water Anne Spollen

Gillian Shannon

The Shape Of Water Anne Spollen:

Shape of Water Anne Spollen, 2011-09-08 Spollen interweaves elemental evocative images of what is formless and boundless water air grief death with what is solid and limited earth objects human love and forgiveness This enchanting novel starts quietly draws the reader in and weaves a seductive spell that holds until the last page Kirkus starred review I had come to know silence well during those months after my mother died When you sit in silence long enough you learn that silence has a motion It glides over you without shape or form but with weight exactly like water Magda s mother always said the world was full of strange and beautiful secrets only the two of them could see But now she s gone and Magda s world is flooded with anxiety and loneliness and maybe madness As an imaginary family of bickering fish begins to torment her Magda s only outlet is starting beautiful but destructive fires in the marshes near her house The Shape of Water is a darkly lyrical and surprising tapestry of the mundane and the surreal in which Magda begins to untangle her family s secrets and search for a stable place in the world

Blue Mind Wallace J. Nichols, 2024-12-03 The 10th anniversary edition of the landmark book on the remarkable effects of water on our health and well being A decade ago marine biologist Dr Wallace J Nichols revolutionized how we think about our connection to water exploring the questions we ve long lacked answers to Why are we drawn to lakes rivers oceans beaches and pools each summer Why does being near water set our minds and bodies at ease boost creativity enhance wellness and increase longevity Over the past several years Blue Mind has become the ultimate resource on the remarkable benefits of being near in on or under water Combining cutting edge neuroscience psychology and cross disciplinary data with compelling personal stories from top athletes leading scientists military veterans and gifted artists Nichols shows how proximity to water can improve performance increase calm diminish anxiety and increase professional success Now with updated science backed research examples of innovative practitioners and a new afterword on the far reaching impact of this groundbreaking book Blue Mind not only illustrates the crucial importance of our connection to water it provides a paradigm shifting blueprint for a movement to create better lives for everyone on this Blue Marble we call home

Riding through Katrina with the Red Baron's Ghost J. Malcolm Garcia, 2018-08-21 The first book that J Malcolm Garcia ever bought would impact his life in a way that the then twelve year old could have never imagined The Day the Red Baron Died plunged Garcia into the intrigue and excitement of the World War I German flying ace s life and death Garcia was enraptured and brimming with questions His mother encouraged the curious boy to write to the book s author Dale M Titler When the author replied a friendship began that shaped Garcia s life In *Riding through Katrina with the Red Baron s Ghost* Garcia chronicles his relationship with Titler It was that connection that brought Garcia to New Orleans only two weeks after Hurricane Katrina devastated the city and its citizens Not having heard from his friend in years Garcia made the split second decision to go to New Orleans to try to find the man who meant so much to him A harrowing account of New Orleans directly after Katrina told in Garcia s award winning journalistic style *Riding through Katrina with*

the Red Baron's Ghost tells a personal story of a thirty year bond that defined a young man as well as the universal story of the horror and devastation Katrina left in its wake
