Avinash Mashani,2023-07-01 Such is the story of two best friends Hazel and Grace who are exactly opposite to each other but still perfect buddies After 4 years of glorious togetherness suddenly to fulfill their dreams they had to go their separate ways Today after 4 years they are both well settled Hazel in London and Grace in Canada Even the gap of 4 years and a separation of 1000 kilometers did not change the bond between them The bonds of friendship have strengthened even further When Grace visits London surprisingly she comes to know that her best friend is in a relationship and both of them are sharing the same apartment She becomes very happy and she gets acquainted with Hazel s boyfriend Joy Everything seemed to be fine until the simplicity and small gestures of Grace start occupying a place in Joy s heart and then suddenly Joy starts feeling attracted towards Grace But Joy is well aware of his limits Simultaneously and slowly a feeling of guilt creeps into his heart that somewhere somehow Joy starts feeling that he is guilty of putting his relationship at stake But one day he confesses his love for Grace and sadly he finds that friendship is most important for Grace As the value of friendship is more important for Grace so she knows that Hazel is imagining a happy married life with joy and is also very happy so to avoid the fact that something adverse may happen due to her presence Grace returns to her home But what happens next to them To know this you will have to read The Farmers' Advocate and Home Magazine ,1928 **Littell's Living Age** Eliakim
