Ayesha and Sana are university roommates. Ayesha is a morning person and prefers to sleep early, while Sana stays up late watching Netflix. Ali is working on a group project for his internship at a research center. His team leader, Bilal, gives instructions through emails, but Ali prefers face-to-face discussions. Ali feels embarrassed and is now avoiding work.

#### **Questions:**

1. What went wrong in this situation?
  2. What type of conflict is this?
  3. What could Bilal have done differently as a leader?
  4. If you were Ali, how would you address the situation?
  5. What strategies could help improve communication in workplace teams?
- 

### **Case Study 3: Family Business Dispute (Interpersonal & Financial Conflict)**

A father and son run a small business together. The son wants to modernize the business by launching an online store, but the father believes their traditional methods have worked fine for decades. Their disagreements have become heated, and now they barely speak to each other at work.

#### **Questions:**

1. What type of conflict is this?
  2. Why might the father resist change? Why might the son be frustrated?
  3. How could they communicate their perspectives without damaging their relationship?
  4. What negotiation techniques could they use to reach a compromise?
