**A Gutmann**

## **Azincourt:**

Agincourt Bernard Cornwell, 2009-01-20 The greatest writer of historical adventures today Washington Post tackles his richest most thrilling subject yet the heroic tale of Agincourt Young Nicholas Hook is dogged by a cursed past haunted by what he has failed to do and banished for what he has done A wanted man in England he is driven to fight as a mercenary archer in France where he finds two things he can love his instincts as a fighting man and a girl in trouble Together they survive the notorious massacre at Soissons an event that shocks all Christendom With no options left Hook heads home to England where his capture means certain death Instead he is discovered by the young King of England Henry V himself and by royal command he takes up the longbow again and dons the cross of Saint George Hook returns to France as part of the superb army Henry leads in his quest to claim the French crown But after the English campaign suffers devastating early losses it becomes clear that Hook and his fellow archers are their king s last resort in a desperate fight against an enemy more daunting than they could ever have imagined One of the most dramatic victories in British history the battle of Agincourt immortalized by Shakespeare in Henry V pitted undermanned and overwhelmed English forces against a French army determined to keep their crown out of Henry s hands Here Bernard Cornwell resurrects the legend of the battle and the band of brothers who fought it on October 25 1415 An epic of redemption Agincourt follows a commoner a king and a nation s entire army on an improbable mission to test the will of God and reclaim what is rightfully theirs From the disasters at the siege of Harfleur to the horrors of the field of Agincourt this exhilarating story of survival and slaughter is at once a brilliant work of history and a triumph of imagination Bernard Cornwell at his best **Agincourt** Juliet Barker, Elliot Cowan, 2007-11-01 When Henry V and his band of brothers defeated the assembled might of French chivalry on a rainy October day in 1415 it was a defining moment in English history Against all the odds 9 000 exhausted English men claimed victory from an army of 20 000 and for six centuries the battle of Agincourt has informed the nation s self image and been celebrated as a triumph of the underdog But what is the truth behind the battle upon which so many legends have been built In this landmark study of Agincourt prize winning author Juliet Barker draws upon a huge range of sources to give a compelling account of the battle But she also looks behind the action on the field to paint a portrait of the age moving from the ambition of kings to the dynamics of daily life in peace and war A mad king murderous dukes scheming bishops knightly heroes surgeons heralds spies and pirates the story of Agincourt has them all Agincourt Juliet Barker, 2010-09-02 Agincourt took place on 25 October 1415 and was a turning point not only in the Hundred Years War between England and France but also in the history of weaponry Azincourt as it is now is in the Pas de Calais and the French were famously defeated by an army led by Henry V Henry V s stunning victory revived England s military prestige and greatly strengthened his territorial claims in France The exhausted English army of about 9 000 men was engaged by 20 000 Frenchmen but the limited space of battle favoured the more compact English forces The undisciplined charges of the French combined with the

exceptional skill of the English archers contributed to a pivotal moment in European warfare Not more than 1 600 English soldiers died the French probably lost more than 6 000 men Juliet Barker s shimmeringly brilliant narrative commemorates and analyses a canonical battle in British history **Azincourt** Bernard Cornwell,2008 An extraordinary and dramatic depiction of the legendary battle of Agincourt from the number one historical novelist *Agincourt* Anne Curry,2015-08-27 From Shakespeare to The Beatles the battle of Agincourt has dominated the cultural landscape as one of the most famous battles in British history Anne Curry seeks to find out how and why the legacy of Agincourt has captured the popular imagination Agincourt 1415 is an exceptionally famous battle one that has generated a huge and enduring cultural legacy in the six hundred years since it was fought Everybody thinks they know what the battle was about Even John Lennon aged 12 wrote a poem and drew a picture headed Agincourt But why and how has Agincourt come to mean so much to so many Why do so many people claim their ancestors served at the battle Is the Agincourt of popular image the real Agincourt or is our idea of the battle simply taken from Shakespeare s famous depiction of it Written by the world s leading expert on the battle this book shows just why it has occupied such a key place in English identity and history in the six centuries since it was fought exploring a cultural legacy that stretches from bowmen to Beatles via Shakespeare Dickens and the First World War Anne Curry first sets the scene illuminating how and why the battle was fought as well as its significance in the wider history of the Hundred Years War She then takes the Agincourt story through the centuries from 1415 to now from the immediate and sometimes surprising responses to it on both sides of the Channel through its reinvention by Shakespeare in King Henry V 1599 and the enduring influence of both the play and the film versions of it especially the patriotic Laurence Olivier version of 1944 at the time of the D Day landings in Normandy But the legacy of Agincourt does not begin and end with Shakespeare s play from the eighteenth century onwards on both sides of the Channel and in both the English and French speaking worlds the battle was used as an explanation of national identity giving rise to jingoistic works in print and music It was at this time that it became fashionable for the gentry to identify themselves with the victory and in the Victorian period the Agincourt archer came to be emphasized as the epitome of English freedom Indeed even today historians continue to refight the battle

**Azincourt: A Novel** ,2009 An extraordinary and dramatic depiction of the legendary battle of Agincourt from the number one historical novelist Agincourt fought on October 25th 1415 on St Crispin s Day is one of the best known battles in part through the brilliant depiction of it in Shakespeare s Henry V in part because it was a brilliant and unexpected English victory and in part because it was the first battle won by the use of the longbow a weapon developed by the English which enabled them to dominate the European battlefields for the rest of the century Bernard Cornwell s *Azincourt* is a vivid breathtaking and meticulously well researched account of this momentous battle and its aftermath From the varying viewpoints of nobles peasants archers and horsemen *Azincourt* skilfully brings to life the hours of relentless fighting the desperation of an army crippled by disease and the exceptional bravery of the English soldiers *Battle Of Azincourt*,

*October 25, 1415* André Geraque Kiffer,2019-12-27 As an outline of the tactical maneuver that will be tested in the wargame simulated battle of chapter 3 we present the model of the Sicilian Opening where we will consider a hypothesis compared to chess in which Azincourt was a great French attack of opportunity that shocked head on against a solid ground and weapons support English defensive position It could have been different if Constable Albret and Marshal Boucicault had been heard and after updating the battle plan by the terrain and the enemy situation had taken a more appropriate offensive device When an Arab or Double Perpendicular battle order would then be employed that is simultaneous pressure on two flanks in this simulation at the northern and southern entrances of the Tramecourt Azincourt clearing which would require numerical geographical and moral superiority

**The Agincourt War** Alfred H. Burne,2014-06-30 Henry V s stunning victory at Agincourt was a pivotal battle of the Hundred Years War reviving England s military fortunes and changing forever the course of European warfare In this exciting and readable account Colonel Burne recreates the years leading up to Agincourt and its bitter aftermath He also puts the battle in the perspective of the other important yet less well known engagements of the war such as the battles of Verneuil and Fresnay As with the battles so with its commanders Henry V is known to all but Colonel Burne gives rightful honour to Talbot Salisbury Bedford Chandos and many others On the French side he details the parts played by Bertrand du Guesclin and of course Joan of Arc Colonel Burne s outstanding reconstruction of the war is written for layman and historian alike and conveys the drama that Agincourt and its heroes have always so vividly evoked This new edition of a classic text includes a new introduction by Anne Curry the world s leading authority on the battle of Agincourt

**A Collection of the Chronicles and Ancient Histories of Great Britain, Now Called England: From A.D. 1399 to A.D. 1422** Jehan de Wavrin (seigneur du Forestel),1887 [A Collection of the Chronicles and Ancient Histories of Great Britain, Now Called England](#) Jean (de Wavrin),1887 [A Collection of the Chronicles and Ancient Histories of Great Britain, Now Called England](#) Jean de Wavrin,Jehan De Wavrin,2012-11-15 The first full length history of England by a medieval French knight covers the reigns of Henry IV and Henry V [A Collection of the Chronicles and ancient Histories of Great Britain, now called England, by John de Wavrin, from A. D. 1399 to A. D. 1442](#) John de Wavrin,1887

**A Collection of the Chronicles and Ancient Histories of Great Britain, Now Called England** Jehan de Wavrin (seigneur du Forestel),1887 **D'Azincourt À Jeanne D'Arc, 1415-1430** Paul Jubault,1969 **The Reign of Henry the Fifth: 1415-1416** James Hamilton Wylie,William Templeton Waugh,1919 [Rolls Series](#) Great Britain. Public Record Office,1887 **Rerum Britannicarum Medii Aevi Scriptores** ,1887 **Journal of Medieval Military History: Volume XXI** Kelly DeVries,Clifford J. Rogers,John France,2023-06-06 The leading academic vehicle for scholarly publication in the field of medieval warfare Medieval Warfare The twenty first volume of the Journal of Medieval Military History begins with three studies examining aspects of warfare in the Latin East an archaeological report on the defenses of Jerusalem by Shimon Gibson and Rafael Y Lewis a study of how military victories and defeats viewed through the lens of carefully shaped

reporting affected the reputation and the flow of funds and recruits to the Military Orders by Nicolas Morton and an exploration of how the Kingdom of Jerusalem quickly recovered its military strength after the disaster of Hattin by Stephen Donnachie Turning to the other side of the Mediterranean Donald J Kagay analyzes how Jaime I of Aragon worked to control violence within his realms by limiting both castle construction and the use of mechanical artillery Guilhem P pin also addresses the limitation of violence using new documents to show that the Black Prince s sack of Limoges in 1370 was not the unrestrained bloodbath described by Froissart The remaining three contributions deal with aspects of open battle Michael John Harbinson offers a large scale study of when and why late medieval men at arms chose to dismount and fight on foot instead of acting tactically as cavalry Laurence W Marvin reconsiders the Battle of Bouvines concluding that it was far from being a ritualized mass duel Finally Michael Livingston elucidates some principles for understanding medieval battles in general and the battle of Agincourt in particular

**25 October 1415** DecisiveDays,2013-11-03 It is 1415 AD Henry V of the House of Lancaster is King of England The English kings have claimed the throne of France as their birthright for generations but the young king intends to finally make good on that claim either by negotiation or by force if necessary As the last attempt at diplomacy fails Henry and embarks on an ambitions campaign He sets sail with a 10 000 man army to take what he believes to be rightfully his starting with the coastal French town of Harfleur His plans lose momentum though at the Siege of Harfleur many of his soldiers become ill and many will never see England again He eventually takes Harfleur after a long and bloody siege a minor victory in a large war but he desperately needs one more grand gesture to justify this expensive excursion into France He comes up with a plan to embarrass the French and marches the remainder of his army across the French countryside hoping to go unopposed through their lands to the English fortress at Calais But on the road only 30 miles from Calais at a muddy field near the castle of Azincourt he is stopped by the entire might of the French army Henry his 800 men at arms and 5 000 peasant archers stand facing a much larger force thousands of French nobles in the best armor with the best weapons are waiting for him ready for battle The various French factions have temporarily put aside their differences to score an easy victory against the English king Fate would bring an unexpected outcome however and the Battle of Agincourt on 25 October 1415 is remembered as one of the most amazing battles of medieval Europe Experience for yourself every important moment of the day as the events unfold described in vivid detail in this epic 7 part narrative Grab your copy now Bonus The final chapter is a detailed account of the feared English Longbow the weapon that helped snatch victory away from the French at Agincourt and many other medieval battlefields

**Azincourt - Primary Source Edition** René Belleval,2014-01 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We
