

Character Presentation Information

Overview

We are going to have a character presentation day in our classroom. The purpose of this task is to encourage the children to research and learn and to get excited about reading. I am hoping that the children choose a book, then share my help the character to the class, and come to school. I will call on each student to stand in front of the class and present who they are and what kind they come from. I will expect students to learn who the author and illustrator of the book are. The students will tell what their favorite part was and why they chose the character. It would be very helpful if the students had the book, so they can show the class. I will be encouraging the students to speak loud and clear. I will be grading the students on this project. There is a rubric that I will use. Let me know how I can help or if there are any questions.

Digitally Supported Disciplinary Literacy for Diverse K-5 Classrooms Jamie Colwell, Amy Hutchison, Lindsay Woodward, 2020 This book focuses on how elementary teachers might plan for and incorporate digitally supported disciplinary literacy into English Language Arts, Mathematics, Science, and Social Studies to reach all learners. To do so, the authors present the six-phase Planning Elementary Digitally Supported Literacy (PEDDL) Framework along with four core practices useful for considering elementary disciplinary literacy. After grounding disciplinary literacy in elementary grades, how it might support all learners, and the rationale for its inclusion in K-5 instruction, core practices are presented along with a rationale behind those practices. Then the authors provide an in-depth overview of the PEDDL Framework with examples.

and research based underpinnings of each phase Finally a paired chapter approach then guides readers through each of the four core disciplines to first overview practices particular to each discipline that are appropriate for elementary grades and then provide detailed lesson planning approaches using the PEDDL Framework for each Supplementary lesson plan examples are also offered in this book for extended consideration of digitally supported disciplinary literacy across K 5
