The Century Cook Book Mary Ronald, 2019-11-22 In *The Century Cook Book* Mary Ronald presents a comprehensive culinary guide that encapsulates the evolving gastronomic landscape of late 19th to early 20th century America. With its meticulously organized recipes and practical tips, this work reflects a transition from traditional cooking to innovative culinary techniques, showcasing Ronald's commitment to accessibility and variety. Her engagement with contemporary food movements of the time, such as home economics and the burgeoning notion of convenience cooking, creates a rich literary context, making this tome not just a collection of recipes but a cultural artifact that captures an era's sociocultural trends. Mary Ronald was a pioneering culinary author and educator whose experiences in domestic science played a significant role in shaping her perspectives on cooking and nourishment. Drawing upon her background in educating homemakers, Ronald sought to empower readers with a deeper understanding of food preparation and its implications for health and social gatherings. Her ability to blend practical advice with focused insights into nutrition reflects the progressive ethos of her time, making her work a vital resource. This book serves as an invaluable addition to the library of anyone interested in culinary history, gastronomy, or the evolution of domestic cooking. *The Century Cook Book* is not merely a recipe book; it is a vibrant tapestry of cultural history that invites readers to explore the richness of American cuisine and the social dynamics woven into its preparation. In this enriched edition, we have carefully created added value for your reading experience. Hand-picked Memorable Quotes shine a spotlight on moments of literary brilliance. Interactive footnotes clarify unusual references, historical allusions, and archaic phrases for an effortless, more informed read. *Professional Cooking, College Version* Wayne Gisslen, 2010-01-19 This is the best-selling undergraduate food preparation textbook in the marketplace. It has a long-standing reputation for being comprehensive yet easy for students to understand and follow. Wayne Gisslen's reputation for being able to simply yet comprehensively communicate information to beginning chefs is unsurpassed. *Professional Cooking, Seventh Edition* includes videos that will help further illustrate the correct techniques in the kitchen. On top of that, there are over 100 new recipes, some with particular emphasis on international cooking. Enhanced visual program includes over 220 new color photos, including plated dishes, procedures, and products. Approximately 100 new recipes have been added for a total of 650 recipes, plus another 600 variations. More focus on international recipes and variations. Enhanced topical coverage on such things as food science, molecular gastronomy, international recipes, and culinary maths. Chapter 10, Understanding Meats, now includes all information on meat fabrication in one convenient place. Up-to-date nutrition guidelines. Thoroughly revised and enhanced CulinarE Companion Recipe Management software contains all recipes from the book and 90 bonus recipes. The software is available through download with the registration code in the back of the book.
