Lily White,2020-07-05 Words are funny things Their meaning the pictures they paint in the minds of those that hear them
They re not always the same and to me at least that makes them meaningless Take for instance the phrase black widow
Those words conjure the image of a spider However instead of speaking of an arachnid the people who whisper them are
talking about something much different They re talking about me From what I m told no man I ve ever loved has survived Yet
I have no memory of any of it My new home leads me to the definition of another vague and meaningless word But the
definition for the word is wrong Especially when you re made silent by drugs and pretty white jackets My name is Alexandra
Sutton and this is the story of what happened when I was imprisoned inside an Asylum Disclaimer Asylum is a dark novel that
contains sensitive subject matter not appropriate for readers below the age of 18 years of age Asylum also contains explicit

forever in hell I was foolish to think I could have it all a flourishing career a devoted husband who loves me inside out and a
life I m excited to wake up to But fairy tales don t exist not when you re married to a monster I want to turn back time to
unsay the words I do but it s too late I gave him my promise at the altar now he s obsessed with owning me His plan is to
mold me into the perfect wife but his version of perfect is distorted In order for me to become what he needs me to be I have
to forget myself I can t do it I can t lose myself to a stranger But if I don t obey his darkness comes out to play and the
