## **Personal Knowledge Michael Polanyi:**

**Personal Knowledge** Michael Polanyi, 2022-12-22 An expanded edition of the classic philosophical work that enquires into the nature and justification of scientific knowledge The publication of *Personal Knowledge* in 1958 shook the science world as Michael Polanyi took aim at the long standing ideals of rigid empiricism and rule bound logic Today *Personal Knowledge* remains one of the most significant philosophy of science books of the twentieth century bringing the crucial concepts of tacit knowledge and personal knowledge to the forefront of inquiry In this remarkable treatise Polanyi attests that our personal experiences and ways of sharing knowledge have a profound effect on scientific discovery He argues against the idea of the wholly dispassionate researcher pointing out that even in the strictest of sciences knowing is still an art and that personal commitment and passion are logically necessary parts of research In our technological age where fact is split from value and science from humanity Polanyi's work continues to advocate for the innate curiosity and scientific leaps of faith that drive our most dazzling ingenuity For this expanded edition Polanyi scholar Mary Jo Nye set the philosopher scientist's work into contemporary context offering fresh insights and providing a helpful guide to critical terms in the work Used in fields as diverse as religious studies chemistry economics and anthropology Polanyi's view of knowledge creation is just as relevant to intellectual endeavors today as when it first made waves more than fifty years ago Praise for *Personal Knowledge* Polanyi's monumental work takes the shape of an orderly rejection of the false ideal of wholly explicit and wholly impersonal so called objective knowledge The human mind for him is not an impersonal machine engaged in the manufacture of truth In fact *Personal Knowledge* represents a compelling critique of the positivist claim for total objectivity in scientific knowledge Polanyi the scientist philosopher calls forth an enormous array of examples to show that the scientist himself is engaged in acts of personal acceptance and judgment in the very doing of science Philosophy Today Rich in insights groundbreaking in its interpretations *Personal Knowledge* deserves to be better known Science and Education

*Personal Knowledge: the Epistemology of Michael Polanyi* Kent Hallett Tiedeman, 1971      **The Logic of Personal Knowledge** Polanyi Festschrift Committee, 2015-06-05 Originally published in 1961 Michael Polanyi was a polymath who influenced economics and the sciences as well as philosophy His wide ranging research in physical science is as well known as his work on freedom and knowledge and his arguments against positivism and reductionism This collection of essays written for him touches on all aspects of his influence but rotates around his published lectures *Personal Knowledge Towards a Post Critical Philosophy* The contributors address four areas The Scientist as Knower Historical Perspectives The Knowledge of Society and the Knowledge of Living Things      **Reconsidering Michael Polanyi's Philosophy** Stefania Ruzsits Jha, 2017-03-13 The chemist and philosopher Michael Polanyi 1891 1976 was one of the first twentieth century scientists to propose a program to resolve the internal conflict of the modern Enlightenment scientific detachment and moral nihilism with humanist values Stefania Jha's intellectual biography places Polanyi in the context of his time and culture

analyzes his key philosophical ideas and explicates the application and at times misappropriation of his work Polanyi's method was not laid out in his published works and his vocabulary tends to make his writings difficult to understand By exposing the structure of his theory of tacit knowing and by tracing the growth of his thinking Jha shows how the various elements of his thought are integrated Through examination of his philosophical roots in Kant and the complexity of his evolving thought she counteracts the popular notion that Polanyi's philosophy stands apart from the western philosophic tradition Jha's deep analysis makes Polanyi's shift of focus from science to philosophy more intelligible his philosophy more approachable and the causes he championed such as the freedom of science and cultural freedom more understandable Applying his notion of tacit knowing in practical directions Jha seeks to bring the study of Polanyi's philosophy out of the specialists' enclave and into such fields as ethics and clinical medicine *Personal Knowledge* Kent H. Tiedemann, 1974

Guide to Personal Knowledge DANIEL. PAKSI, Mihály Héder, 2022-04-04 This book will help readers understand the most important book of Michael Polanyi *Personal Knowledge* and help them grasp the essence of his philosophical thinking In this volume Polanyi's goals are first reconstructed and then his main philosophical arguments are introduced The discussion is limited to the most crucial ideas that are indispensable for the arc of his book tacit knowledge emergence and the fiduciary program The thirteen chapters of this volume explain the essence of the thirteen chapters of *Personal Knowledge* The page numbers in this book work just as well with the 2015 Enlarged Edition of *Personal Knowledge* as with the original issues Whether you just want to get the key quotation and the context right on tacit knowledge emergence or the fiduciary program or want to have a deep dive for your scholarly research in philosophy and management this book is for you **Guide to**

**Personal Knowledge: The Philosophy of Michael Polanyi** Dániel Paksi, Mihály Héder, 2022-09-06 This book will help readers understand the most important book of Michael Polanyi *Personal Knowledge* and help them grasp the essence of his philosophical thinking In this volume Polanyi's goals are first reconstructed and then his main philosophical arguments are introduced The discussion is limited to the most crucial ideas that are indispensable for the arc of his book tacit knowledge emergence and the fiduciary program The thirteen chapters of this volume explain the essence of the thirteen chapters of *Personal Knowledge* The page numbers in this book work just as well with the 2015 Enlarged Edition of *Personal Knowledge* as with the original issues Whether you just want to get the key quotation and the context right on tacit knowledge emergence or the fiduciary program or want to have a deep dive for your scholarly research in philosophy and management this book is for you *Christian Doctrine in the Light of Michael Polanyi's Theory of Personal Knowledge* Joan

Crewdson, 1994 This work aims to show how Michael Polanyi's theory of personal knowledge provides a framework of interpretation capable of making a theistic view of reality credible It explores the thesis that we live in an open and personal universe with humans as the highest product of the evolutionary process The nature of the personal must ultimately be understood in the light of what God is Such an understanding allows us to see God and creation as a single order of personal

reality in which God is both transcendent and immanent This thesis is explored with particular reference to the doctrines of creation the Trinity the Incarnation and the Kingdom of God **The Way of Discovery** Richard Gelwick,2004-05-12 This book offers the first full exploration of the religious ethical and social dimensions of Michael Polanyi s philosophy and its implications for the crisis of modern culture Michael Polanyi developed a new way of understanding the process of discovering scientific knowledge a theory which can alter our notions of ourselves and of existence In *The Way of Discovery* Richard Gelwick a former student of the renowned scientist turned philosopher presents us with a comprehensive and documented introduction to Polanyi s theory of knowledge Michael Polanyi was born in Budapest in 1891 After a distinguished career as a physical chemist he turned to philosophy religion and social sciences becoming by the time of his death in 1976 one of the greatest scientist philosophers of our century Polanyi maintained that three centuries of belief in scientific detachment had produced a crisis of culture Working from his own experience as a scientist and with an insight from Gestalt psychology Polanyi asserted that objective scientific knowledge is at bottom personal knowledge that scientists and artists establish meaning in basically the same way His ideas call for a new way of thinking and pose a new frontier of thought a new image of humanity *The Logic of Personal Knowledge* ,1961 Michael Polanyi Mark T.

Mitchell,2023-10-10 The polymath Michael Polanyi first made his mark as a physical chemist but his interests gradually shifted to economics politics and philosophy in which field he would ultimately propose a revolutionary theory of knowledge that grew out of his firsthand experience with both the scientific method and political totalitarianism In this sixth entry in ISI Books Library of Modern Thinkers series Mark T Mitchell reveals how Polanyi came to recognize that the roots of the modern political and spiritual crisis lay in an errant conception of knowledge that served to foreclose any possibility of making meaningful statements about truth goodness or beauty Polanyi s theory of knowledge as ineluctably personal but also grounded in reality is not merely of historical interest writes Mitchell for it proposes an attractive alternative for anyone who would reject both the hubris of modern rationalism and the ultimately nihilistic implications of academic postmodernism

*A Review of Michael Polanyi's Personal Knowledge as Revealed in His Book Personal Knowledge* Timothy Martin Brown,2008 **Michael Polanyi** John Donnell Evans,1967 *The Logic of Personal Knowledge* ,1961 *The Logic of Personal Knowledge* ,1951 **Michael Polanyi's Post-critical Epistemology** Andy F. Sanders,1988 Body Knowledge: A Path to Wholeness David W. Long, Ph.D.,2011-02-28 Body Knowledge: A Path to Wholeness provides a critical exposition of the philosophy of Michael Polanyi a twentieth century Hungarian scientist and philosopher Professor Long focuses on Polanyi s controversial multi disciplinary work that charts a new vision of knowledge the knower knowledge seekers and the philosophical foundations of science Long integrates Polanyi s work into contemporary philosophical and scientific discussions about consciousness knowledge and the role of the knower as person Polanyi s pioneering work restores the wholeness of body mind and spirit *The Logic of Personal Knowledge* Anonymous,2021-09-09 This work has been selected

by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work. Scholars believe and we concur that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant. *Knowing and Being* Tihamér

Margitay, 2010-03-08 Michael Polanyi is one of the most inspiring and original thinkers in the 20th century. He launched a new and independent philosophical tradition and fertilized many intellectual areas from cognitive psychology to management sciences. Polanyi's systematic thoughts span over many areas of philosophy, yet his most fruitful ideas, the fundamentals of his system, are contributions to epistemology and ontology. His theory of tacit knowledge, his critique of both the objectivist and the subjectivist views of knowledge, his concept of emergence, and his theory of spontaneous order and coordination, just to mention a few, are probably the most important and most well-known. Polanyi also gave us a new picture about science in which scientists' personal participation, guided by his cognitive and moral commitment, passions, and trust, is an essential part of knowledge itself in both its discovery and its validation. This volume focuses on these epistemological and ontological issues. Thirteen critical essays analyze, interpret, and develop further Polanyi's ideas in the two parts of the book, *Knowing and Being*. Most of these papers address Polanyian themes in a comparative way in dialogue with other major traditions, illuminating both sides and helping to re-evaluate Polanyi in broader philosophical context. The title of this book also refers to a seminal collection of papers of Michael Polanyi, edited by Marjori Grene in 1969, *Knowing and Being*. **Michael Polanyi**

Harry Prosch, 1986-10-15 Michael Polanyi was an eminent physical chemist, economist, and philosopher. This book explains how the many diverse topics that concerned him belong together as essential elements in his effort to play physician to the sickness of the modern mind. Using both published and unpublished writings, Prosch critically evaluates Polanyi's efforts and examines the value of his work as philosophy. The book contains a complete bibliography of Polanyi's humanistic publications and all of his earlier works.

As recognized, adventure as without difficulty as experience not quite lesson, amusement, as with ease as promise can be gotten by just checking out a book **Personal Knowledge Michael Polanyi** after that it is not directly done, you could admit even more in this area this life, almost the world.

We manage to pay for you this proper as skillfully as simple artifice to acquire those all. We manage to pay for Personal Knowledge Michael Polanyi and numerous book collections from fictions to scientific research in any way. among them is this Personal Knowledge Michael Polanyi that can be your partner.

### **Personal Knowledge Michael Polanyi Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Personal Knowledge Michael Polanyi has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Personal Knowledge Michael Polanyi has opened up a world of possibilities. Downloading Personal Knowledge Michael Polanyi provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Personal Knowledge Michael Polanyi has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Personal Knowledge Michael Polanyi. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Personal Knowledge Michael Polanyi. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Personal Knowledge Michael Polanyi, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Personal Knowledge Michael Polanyi has transformed the way we access information.

With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Personal Knowledge Michael Polanyi Books**

**What is a Personal Knowledge Michael Polanyi PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Personal Knowledge Michael Polanyi PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Personal Knowledge Michael Polanyi PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Personal Knowledge Michael Polanyi PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Personal Knowledge Michael Polanyi PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and

local laws.
